JOHN HENRY CARDINAL NEWMAN

The search for truth and knowledge has ever been the highest expression of man's basic worth. In this activity alone can he attain freedom, equality and common grounds of brotherhood. In these turbulent times, education stands as a beacon in the darkness of ignorance and intolerance, guiding man to his proper place as a citizen of the world. The influx of students to the Universities sounds a keynote of optimism for the future, which man must make secure, guaranteeing for himself and his posterity a free and peaceful world. Education is one of the powerful forces which can be harnessed to this end. So with all the hope and belief of John Henry Newman in the strength and stature of the educated man, we say, . . . the search for truth . . . "has its ebbs and flows; it is pleasant to be living in a time when the tide is coming in."

The University is "the high protecting power of all knowledge and science, of fact and principle, of inquiry and discovery, of experiment and speculation . . . "

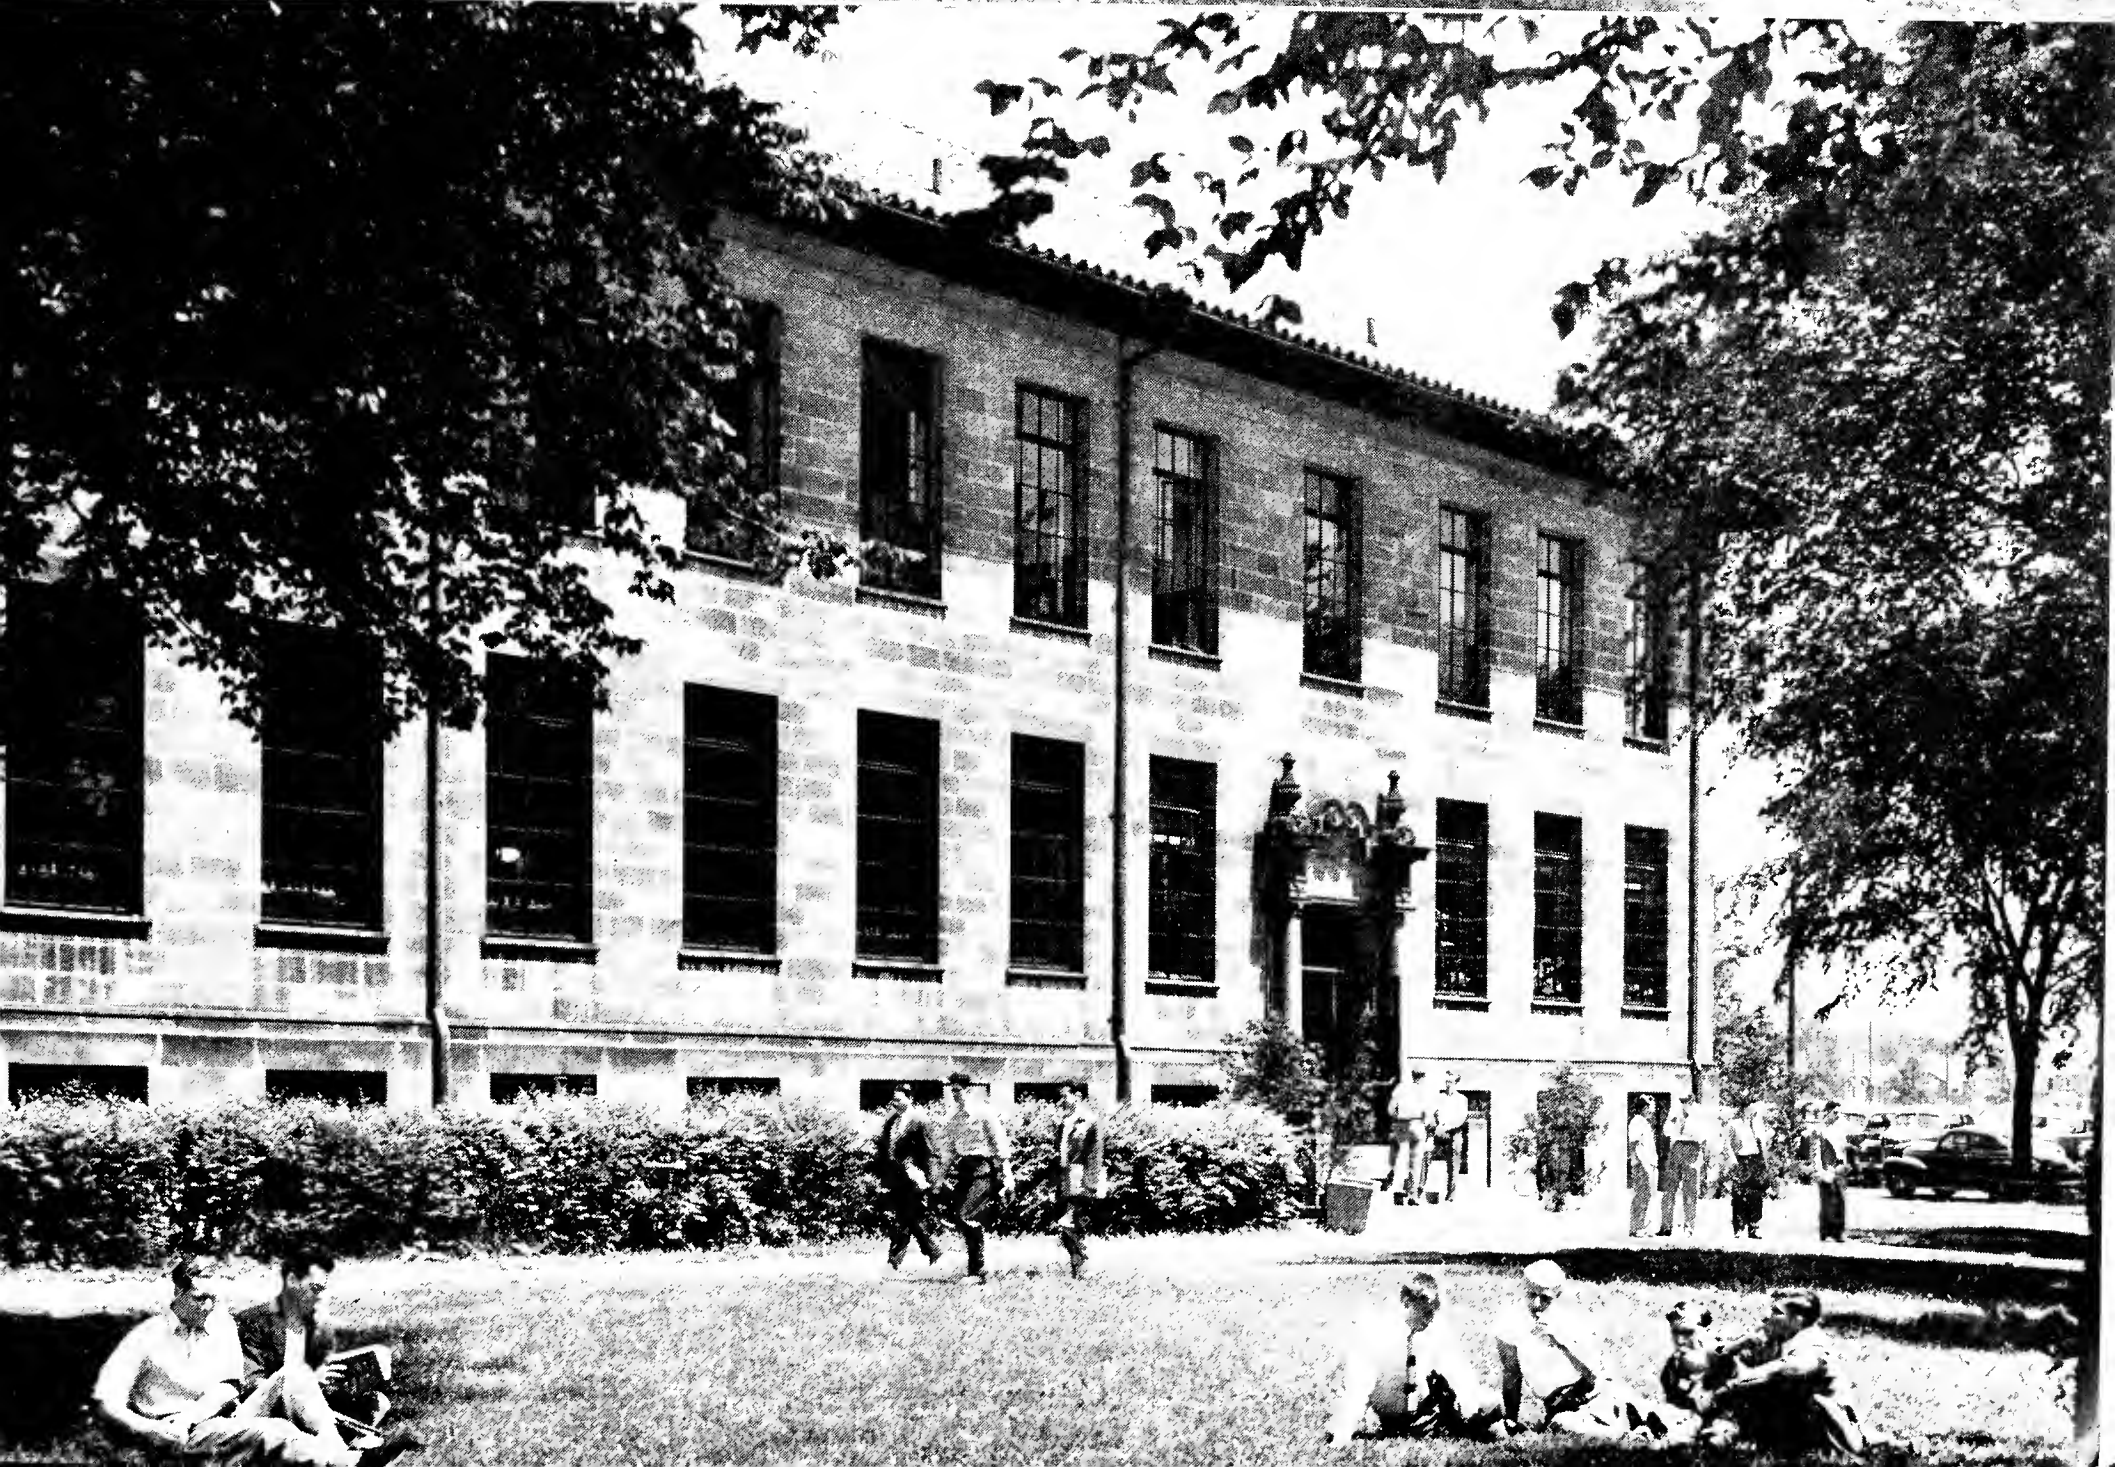

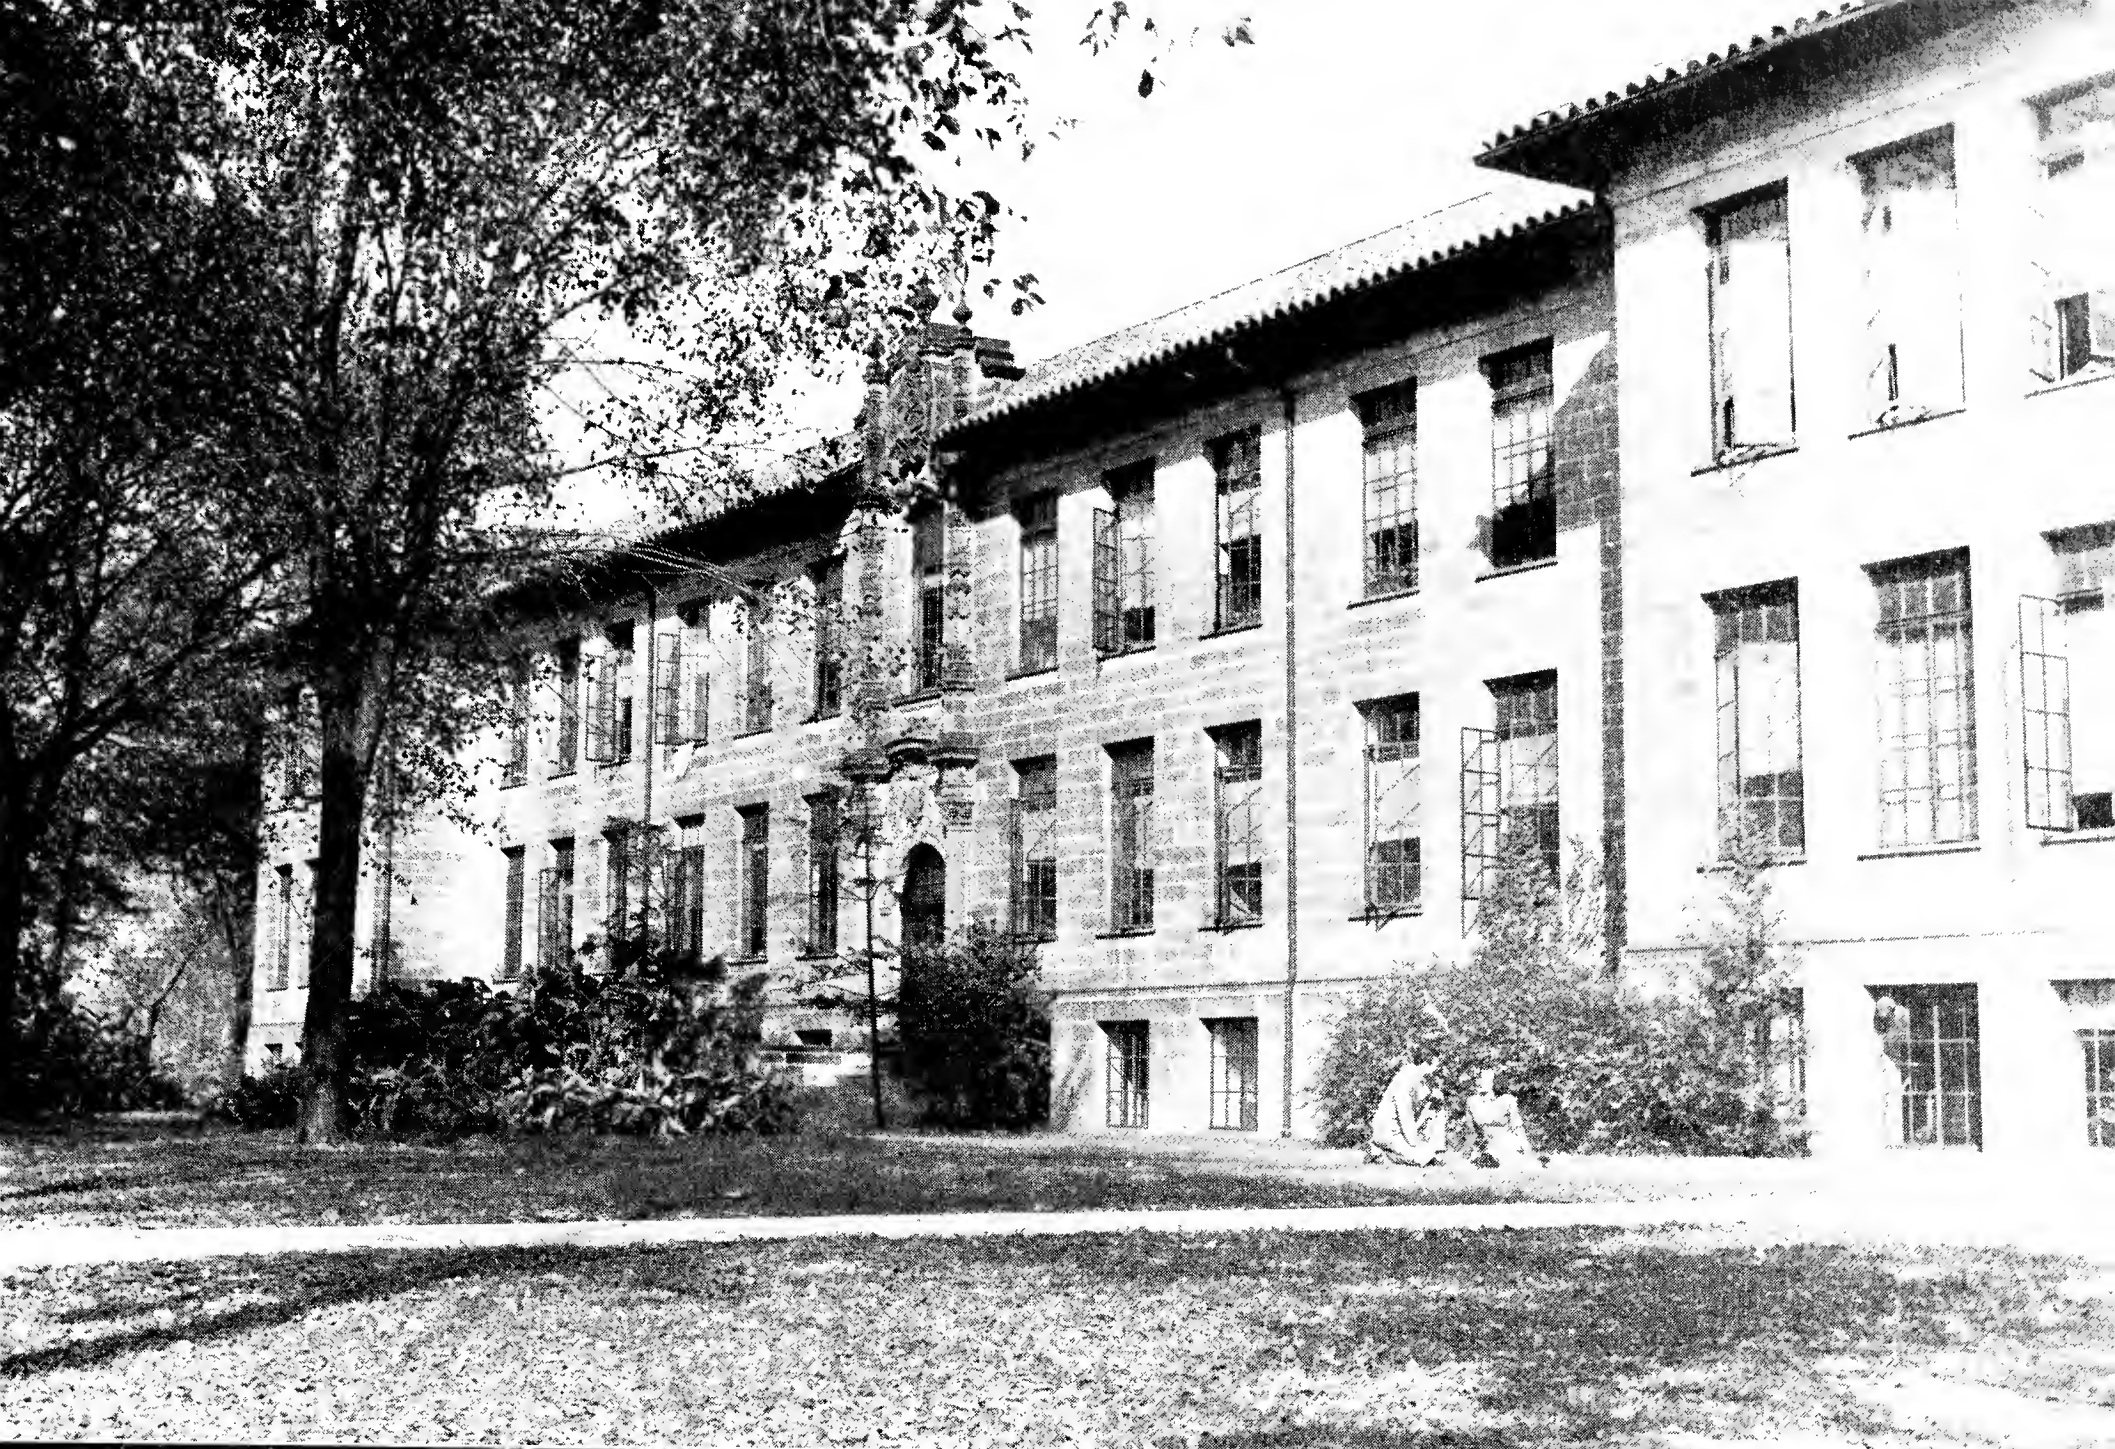

JOHN HENRY NEWMAN

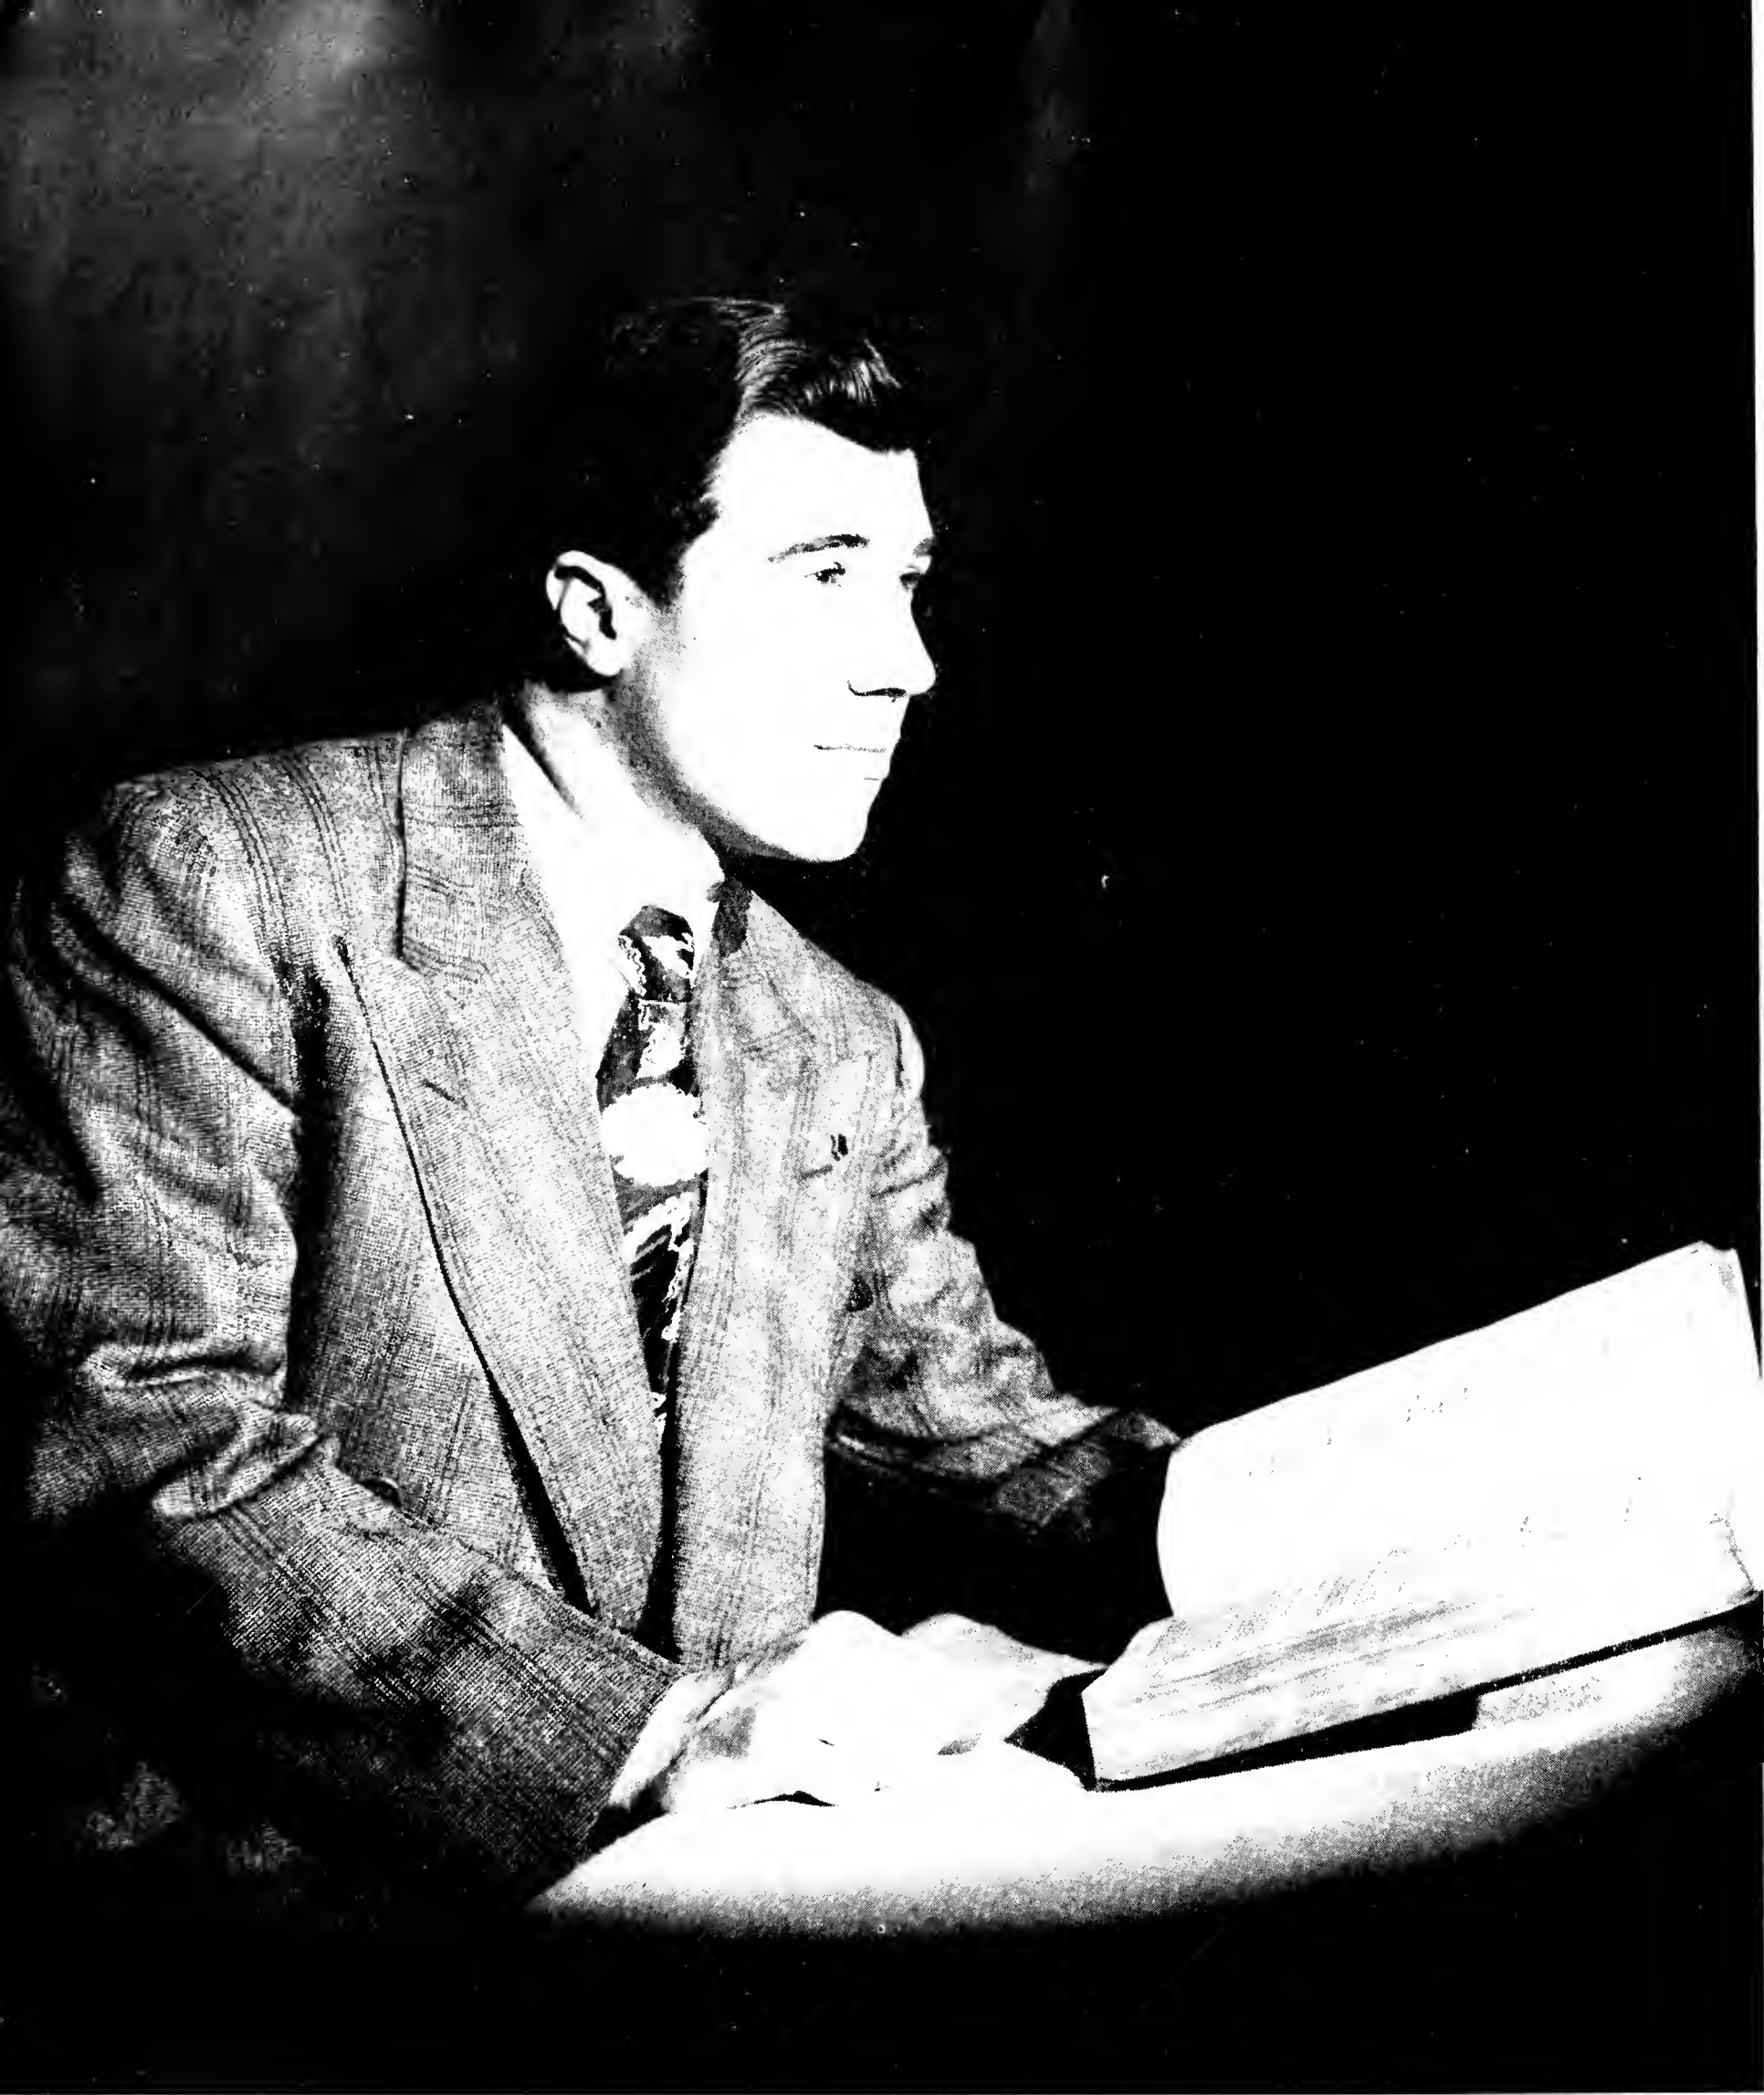

The University "is a seat of wisdom, a light of the world, a minister of the faith, an Alma Mater of the rising generation."

JOHN HENRY NEWMAN

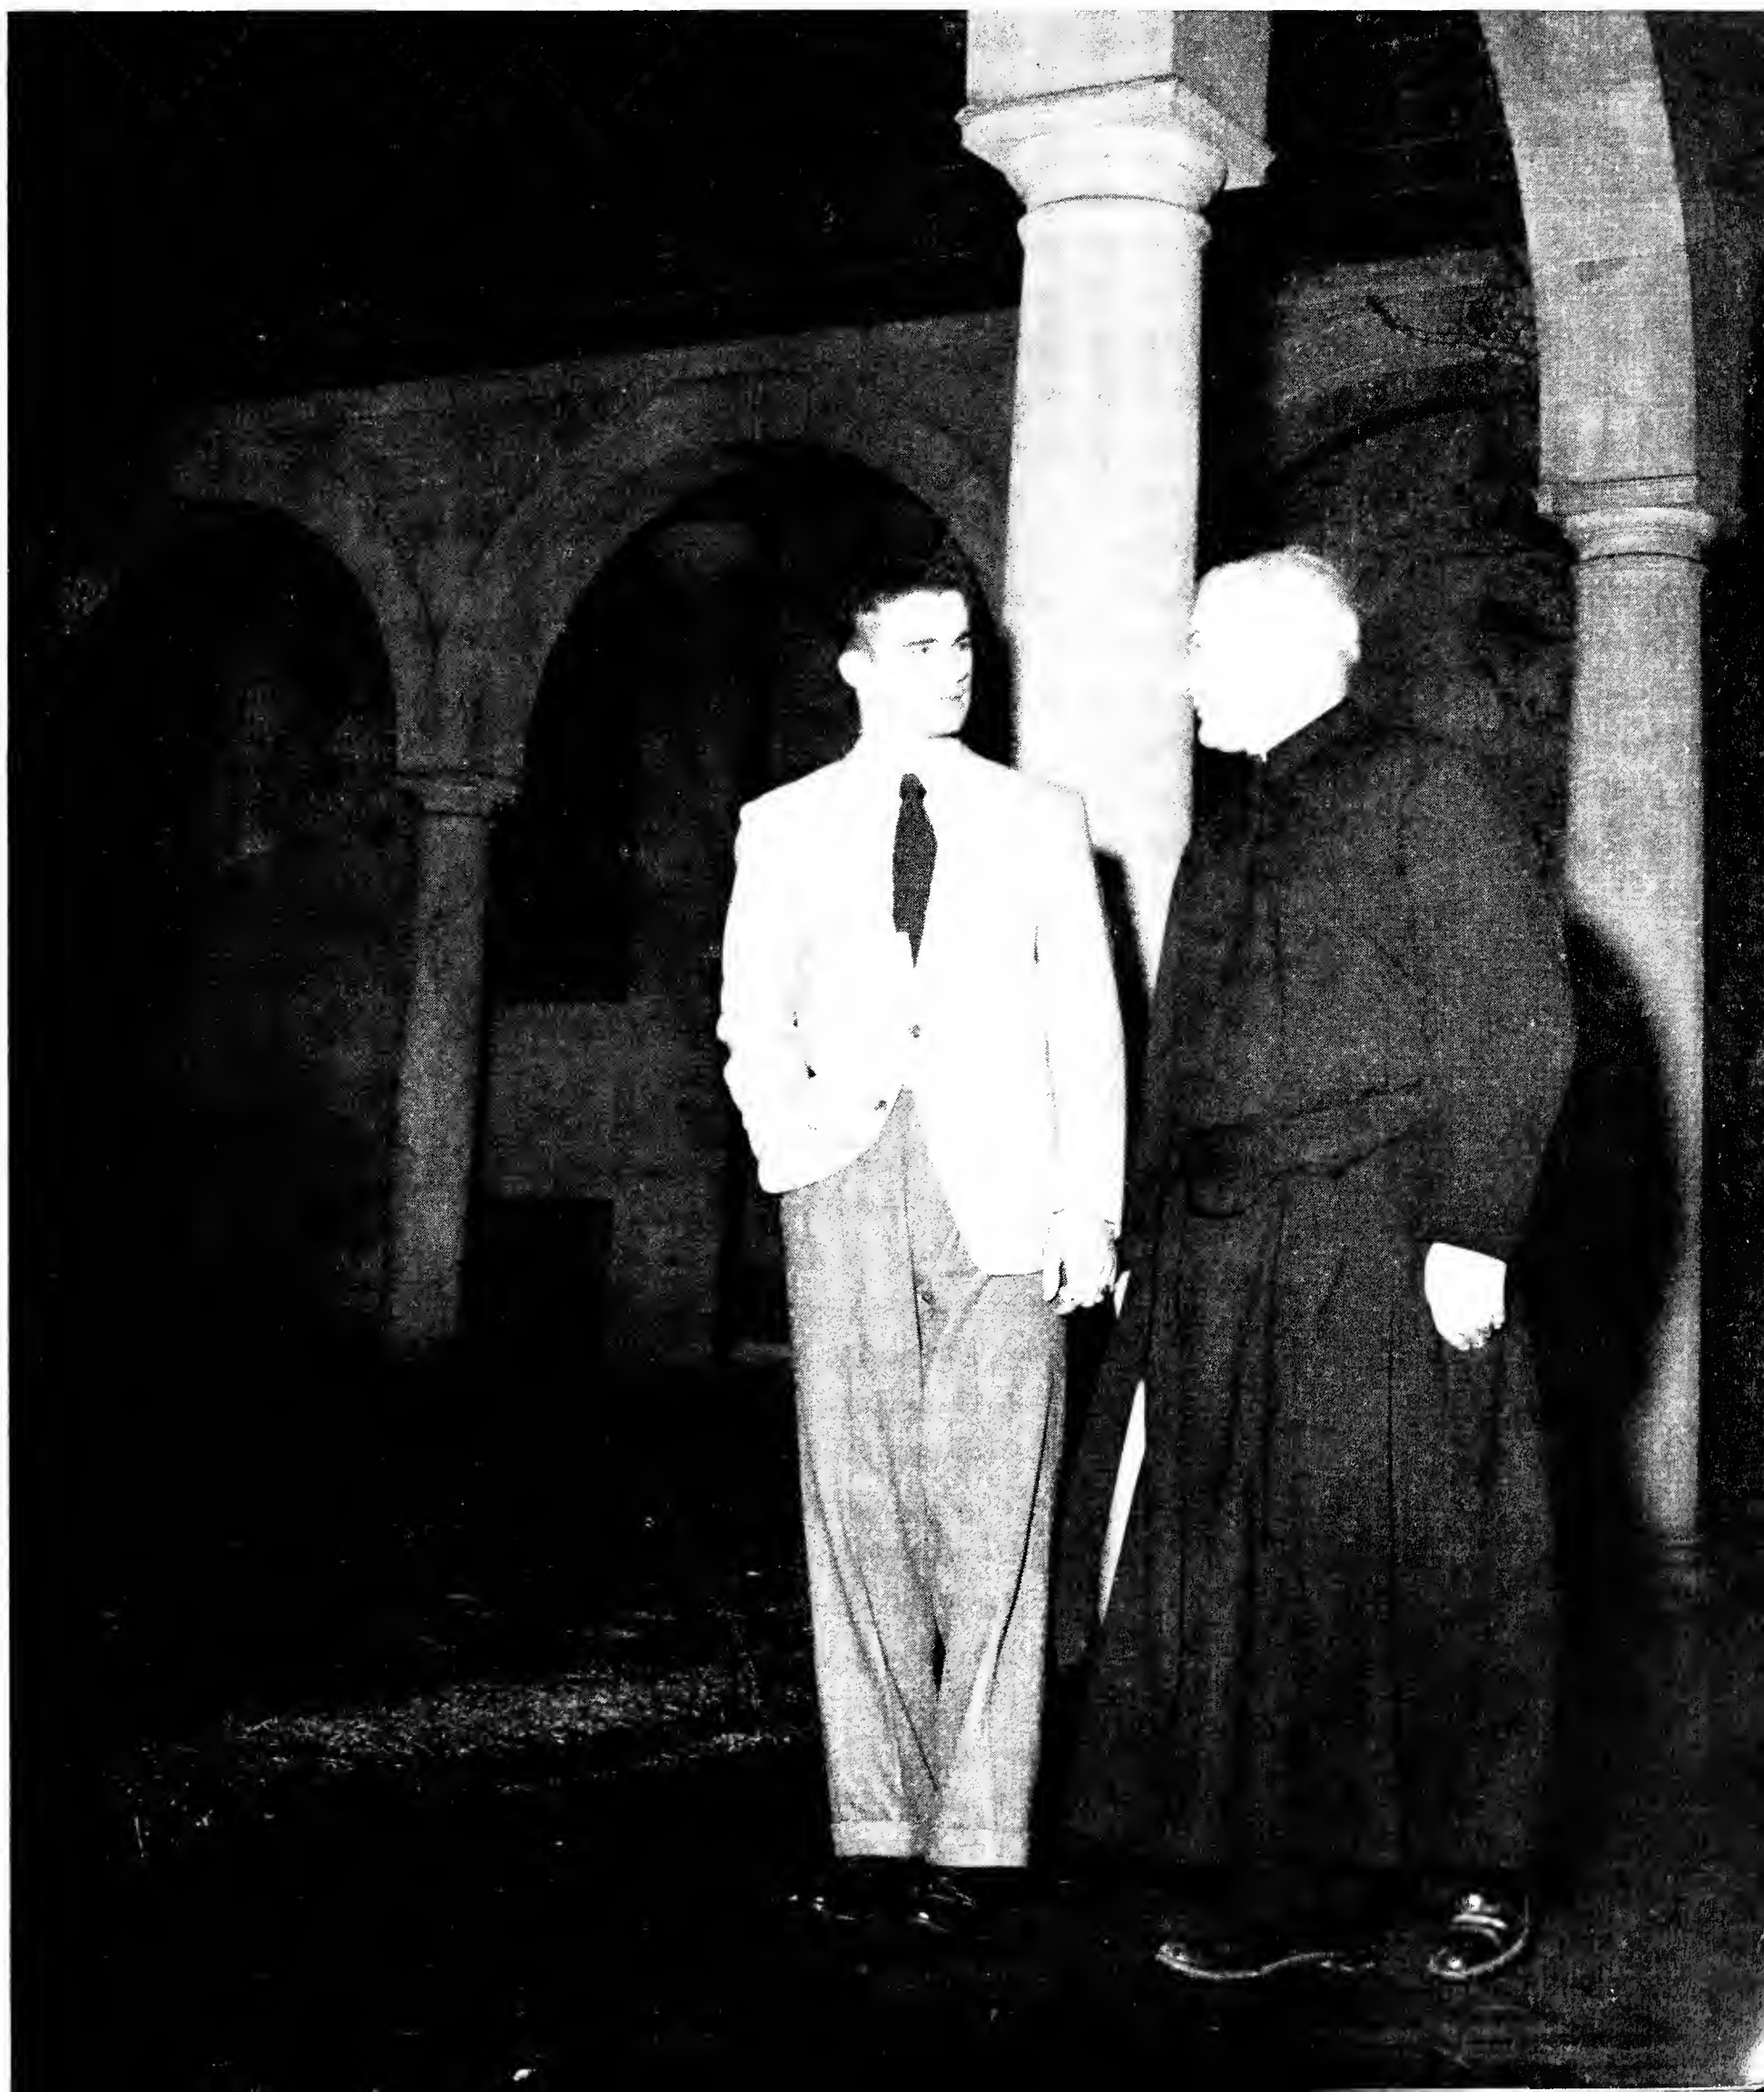

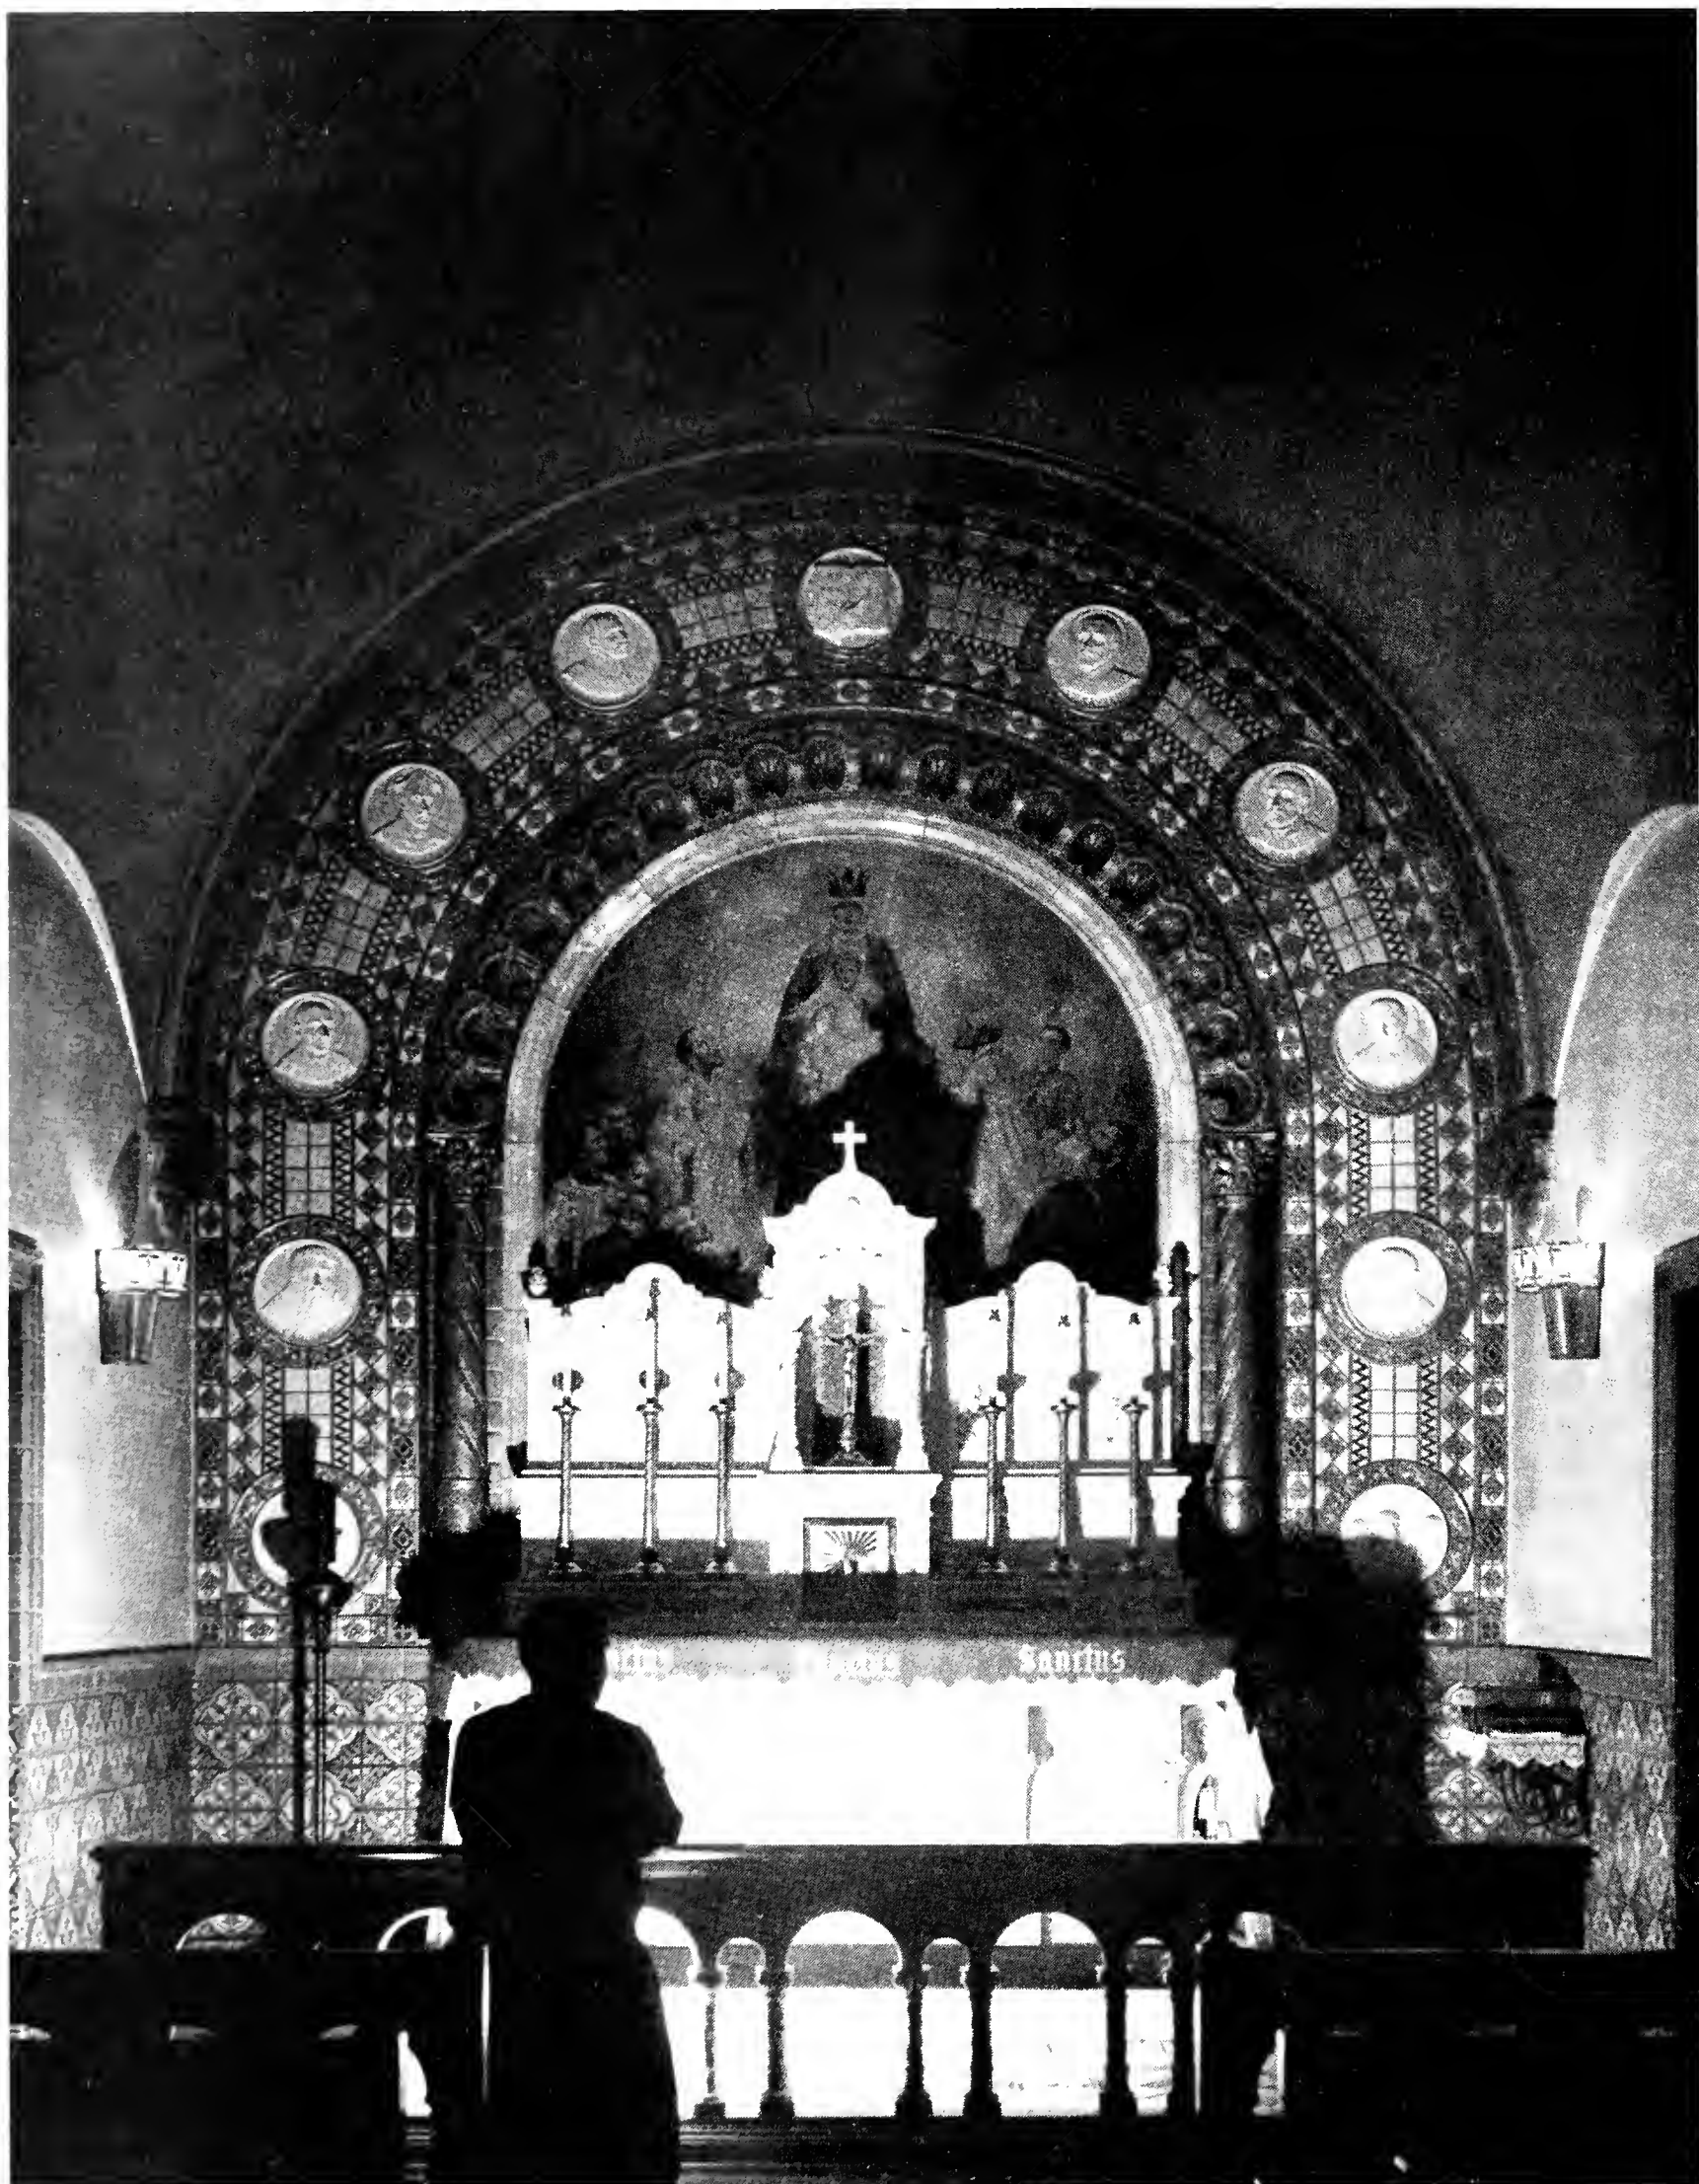

Knowledge "is worth possessing for what it is, not merely for what it does . . . "

JOHN HENRY NEWMAN

" . . . an Alma Mater, knowing her children one by one . . . "

JOHN HENRY NEWMAN

*" . . . who was ever consoled in real trouble by the
small beer of literature and science?"*

JOHN HENRY NEWMAN

The cultivated intellect "has almost supernatural charity from its freedom from littleness and prejudice . . . "

ARTS AND SCIENCES

" . . . the Arts have ever, on the whole, been the instruments of education which the civilized orbis terrarum has adopted . . . of enlarging the mind, and cultivating the intellect, and refining the feelings . . . "

AMERICAN CHEMICAL SOCIETY

President **John Wing**
Vice-President **James Gallacher**
Treasurer **James Leddy**
Secretary **Mildred Mulchay**
Corresponding Sec. **Evelyn Crigger**
Faculty Moderator **Desmond Carney**

In 1938, under the direction of Doctor E. L. Henderson, the "Chem Club" became affiliated with the American Chemical Society, thus putting at the University's disposal national facilities of professional importance.

This year's agenda included many activities, such as movies on the Atomic Bomb, demonstrations of glass blowing, and talks on photography.

The Father Morrissey Medal, an annual award, is the goal of all chemistry students. This medal is presented by The Society for outstanding work in the field of chemistry to a student on the University of Detroit campus.

President **Raymond Hines**
Vice-President **Arthur Zonder**
Secretary **James Garner**
Treasurer **Henry Baecker**
Counselor **Dr. C. G. Duncombe**

Established to further the professional interests of the students of Chemical Engineering, this organization is noted for its lengthy program of yearly events.

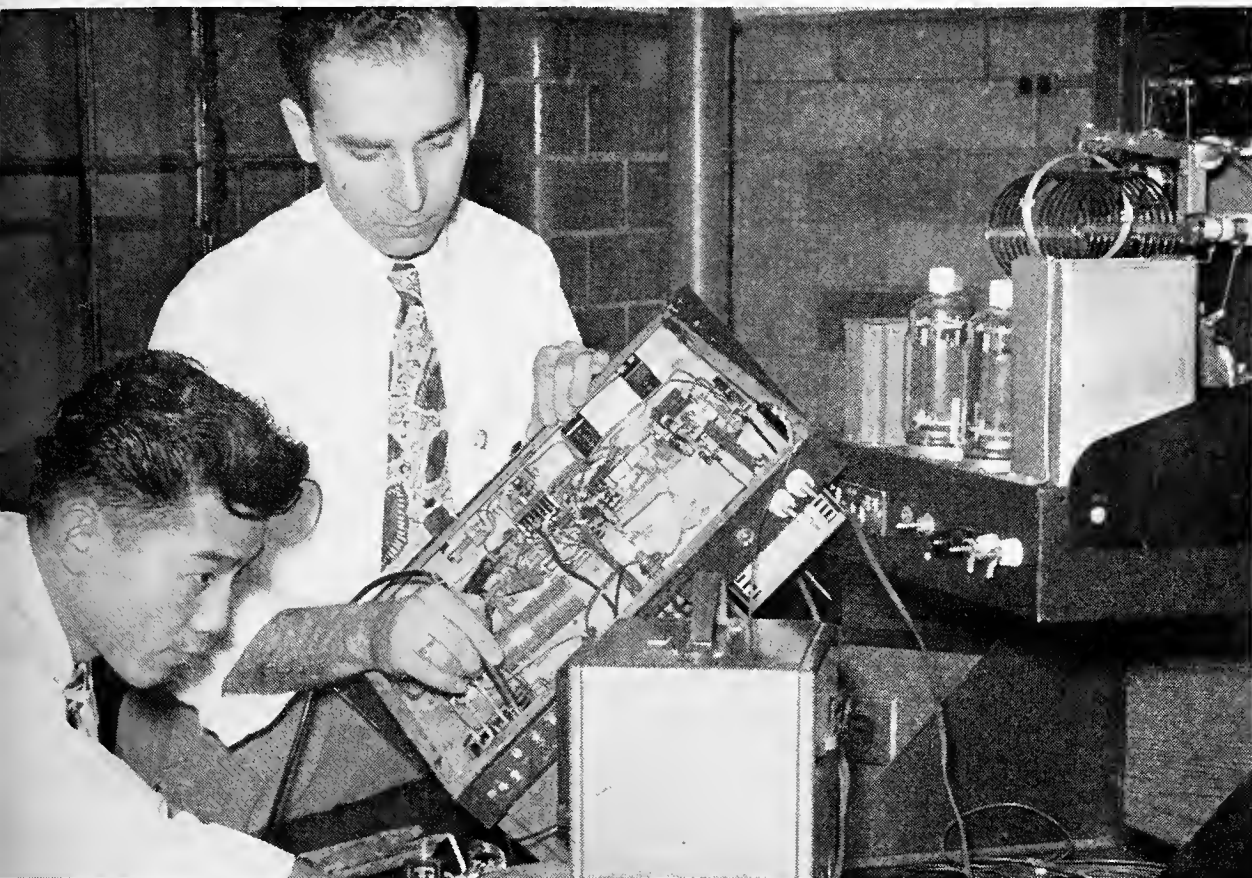

Starting in early fall, members of the American Institute of Chemical Engineers were making arrangements for their wide range of activities, including their National Meeting and Banquet.

Other events were the lectures on the "Petroleum Industry," "Registration of Engineers," and the "Steel Industry." Movies took the high-light with such presentations as, "Nickel and Copper Mining in Canada," "Electrons At Work" and "Crude Oil Distillation."

AMERICAN INSTITUTE OF CHEMICAL ENGINEERS

AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS

Chairman Leo Costello
Vice-Chairman William Gaughan
Secretary Daniel Hurley
Treasurer John Healy
Moderator Prof. Harry Warner

Students interested in the newest discoveries of electricity find that the American Institute of Electrical Engineers on the University of Detroit Campus have all the answers.

Fall meetings found this organization sponsoring a "get acquainted" gathering and talks on "Pulse Time Modulation" and "Temperature Controls in Industry."

Other activities included demonstrations on the newest developments in this field and a lecture on "Induction and Dielectric Heating."

A large enrollment is expected in the College of Engineering this fall; therefore plans are now being made for next year's events.

President Leo Uicker
Vice-President Leo McGough
Secretary Carl Barnett
Treasurer Tom Madden

Monthly meetings of the American Society of Civil Engineers are always centered about their guest speakers. Some of these guests were Mr. Paul Van Burkick, speaking on "The Origin of Weights and Measures," and Mr. Clyde Palmer.

Representatives from this organization attended the National Convention of the American Society of Civil Engineers held in Pittsburgh this spring.

Social events were also on the agenda when members met for an evening of entertainment at one of the spring meetings.

Veterans on the University of Detroit campus joined together at the close of World War II to form their own organization, Amvets.

Since their inauguration the group has sponsored many activities of a social flavor. "Autumn Serenade" lead the agenda of early fall events, with their Dinner-Dance rounding out winter activities.

March 17th was celebrated by the members with a Saint Patrick's Day party and dance for members and their guests.

Benefits available to the Veterans plus the latest V.A. regulations are regularly discussed at their business meetings.

Lettermen on all University of Detroit sports teams now have their own organization, the Varsity Club.

Established this year by lettermen on campus, the club has a threefold purpose: to act as the official spokesmen for all letter winners; to promote a closer feeling of friendship among the players in the various fields of sports; to secure a greater degree of student support.

Activities of the group included their January dance and the Organization party.

Varsity Club

Every University feels the need for academic and social activities to provide the student with a well balanced college career. One of the major ways of providing for these needs is found in active participation in clubs. At the University of Detroit every major field of study has a corresponding club. The main objective is the furthering of the particular field of study while at the same time fostering the social life which forms so vital a part of college life.

The history of the University of Detroit Law Journal began in the first school semester in 1916 with the publication of the "Law Review," and continued until 1931. Succeeding this was the "Law Journal" which was published in two volumes. The Journal was discontinued in 1933, but with the aid of the 1938 and 1939 Senior Classes, publication was resumed. This is the literary connection between the student body, the law profession and members of the alumni.

The aim of the Journal is the promotion of greater understanding of judicial and court procedure among members of the Law school. The Journal contains, "Lead Articles," written by the members of the profession for the benefit of the law students. These articles provide the means by which the lawyers contact the students and results in the mutual help of all.

A section entitled, "Comments Field," is devoted to the students' comments about court order. "Recent Decisions," another section, is student analysis of recent judicial decisions of the State and Federal courts.

Typical of the weekly meetings, the library is the scene of Journal activities.

The University of Detroit Debating Team began a difficult schedule by meeting Wayne University. Other opponents on their calendar were Alma, Toledo and Michigan State College.

The first debate of the new year was against Georgetown University. The group will remember most vividly, however, the debate sponsored by the University of Michigan which took place at Ann Arbor. This debate, in which six schools from Michigan were represented, was won by the University of Detroit by a decision of five to two.

Debates in the future are planned with such schools as West Point, Niagara University and Canisius.

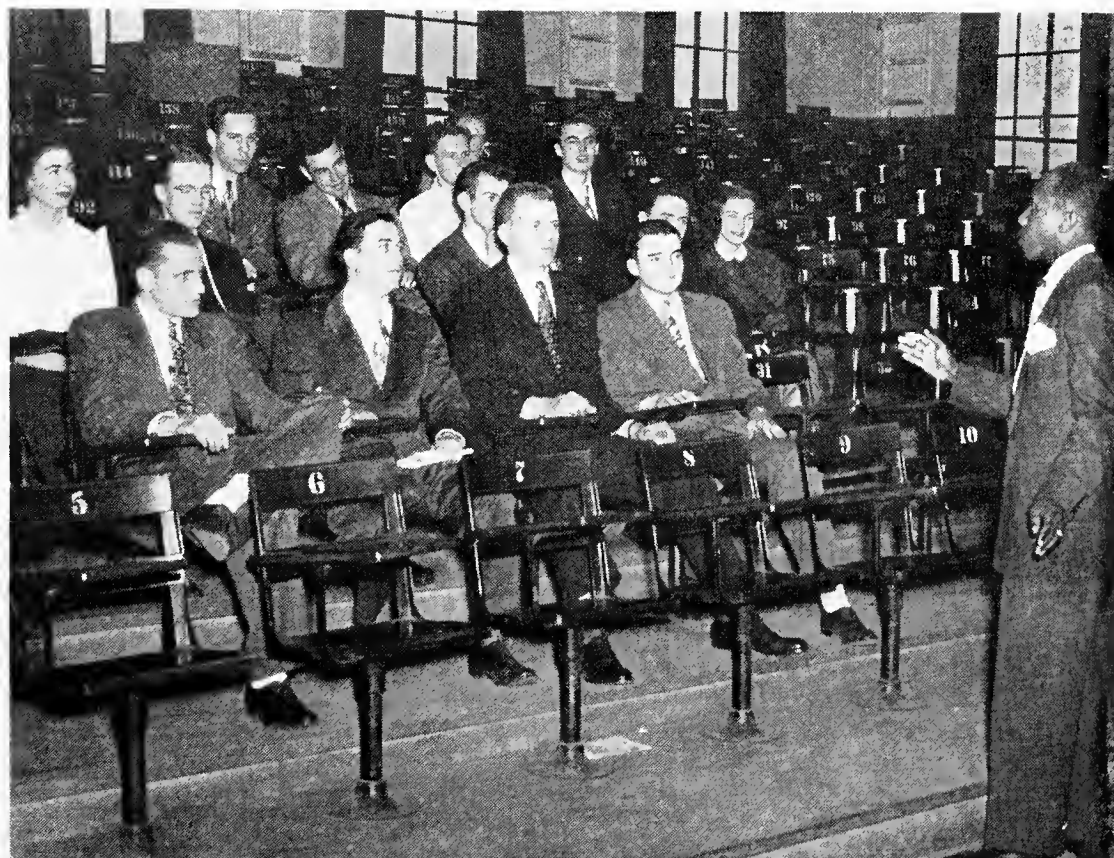

Oratorical Society

Every year students on the University of Detroit campus prepare themselves for the annual Oratorical Contest. The purpose of the Oratorical Society is to promote within the students an ability of self expression.

Jacob Oglesby, Law junior, had a clear field when he took honors in the senior classification. He was the junior classification winner last year.

This year's junior winner is Arthur Petz, Arts sophomore.

Mr. Bert Walker, head of the department of speech, gave supplementary training to these men in preparation for the final judging.

The outstanding men's organization of the University is the Student Union.

The Union was originally established to further a democratic spirit by supplying the means for self-government among the members.

Upon first entering the Union Room one is usually greeted by the rollicking laughter and talking of the students who gather for a mid-afternoon snack.

The telephone booth is found in constant demand, especially during the noon-hour rush. The intermittent clanking of the cash register can barely be heard above the melodious outbursts from the juke box.

Behind the counters distributing sportsware, food, and cigarettes are Frank Markey, Ed Barron, Gerry Doyle, Eugene Weilock, and Allen "Scotty" Parkhill. Scotty is and has been the General Manager of the Union Room for many a year.

Amid the noise and confusion can be seen a few industrious workers diligently studying at a large table, situated at the far end of the room.

On the other side of the archway the pool sharks of the University are found surrounding the several pool tables. When the class bell sounds the boys rush out while new groups clamor forward seeking their friends, food, and a little recreation.

The board smiles its approval of
a year's work well done.

Women's League

Recording Secretary Jean Crane
Corresponding Secretary Marilyn Ruddon

In every co-educational university the Women's League is an essential part of campus life.

It serves particularly as an aid to the freshman women and is an ever-ready source of activity for all co-eds, as well as providing a medium for the girls to meet and become acquainted with one another.

The fall season of League activities began with the opening of the Date Bureau for the Sadie Shuffle. The next important event on the League's calendar was a sweater drive for foreign student relief.

Daisy Mae's register early for their Lil' Abner's at the League Date Bureau.

The sweater drive employed the help of Jean Crane, Joan Spurgeon and James Neville.

Valentine hearts and lacy frills were themes of Puck's Parade, the Women's League fashion show. "Cupid's Favorites in Review" was centered about the wedding ensemble.

Other eye-catchers of the afternoon included the correct wear for all occasions: scarlet dinner gown, black Avenue Outfit, brown check Coachmen's suit, and for early spring, a soft yellow flower print.

Chairman of the Review was Jean Shurmur who took great pride in instructing the co-eds in the art of modeling.

Joan Haines, striking mistress of ceremonies, introduced each model with the assistance of Joan Karol at the piano.

Publicity and decorations were in the able hands of Jean Canfield and Nancy Steele.

If you were looking for a coed during her leisure hours you would find her, more often than not, in her favorite gathering spot, the Women's League Room.

Here, taking a few minutes off from a busy school schedule, you would find several bridge games underway and the more energetic girls playing ping pong, while others just gather to talk with old friends while listening to a more talented member playing the piano.

The real attraction of the League Room, however, is its friendly and informal spirit which makes all women students on the campus feel welcome.

The Players

Members of the Players board of directors. (Back Row) Joan Purcell, Raoul Sartori, Eleanor French, Kay Drieborg, James Blaney, William McMullen. (Seated) James Crowner, Father Caine, Joan Haines.

The organization on campus that attracts promising Thespians and students of the theatre is the Players.

Organized in 1920, Players has for its main objective the promotion of a better understanding of the professional stage. The group realizes its aim by the active participation in the many phases of this art. Acting is by no means the predominant feature of the group, as great emphasis is placed on the ability of the members to direct, produce and handle the technical aspects necessary for the success of any play.

"First Dress Suit," a laboratory production, started the Players on their year of great success. James Blaney was the director; Kay Drieborg, the producer.

Following this one act play was "Dust Of The Road," produced and directed by Robert Martin and Kay Drieborg.

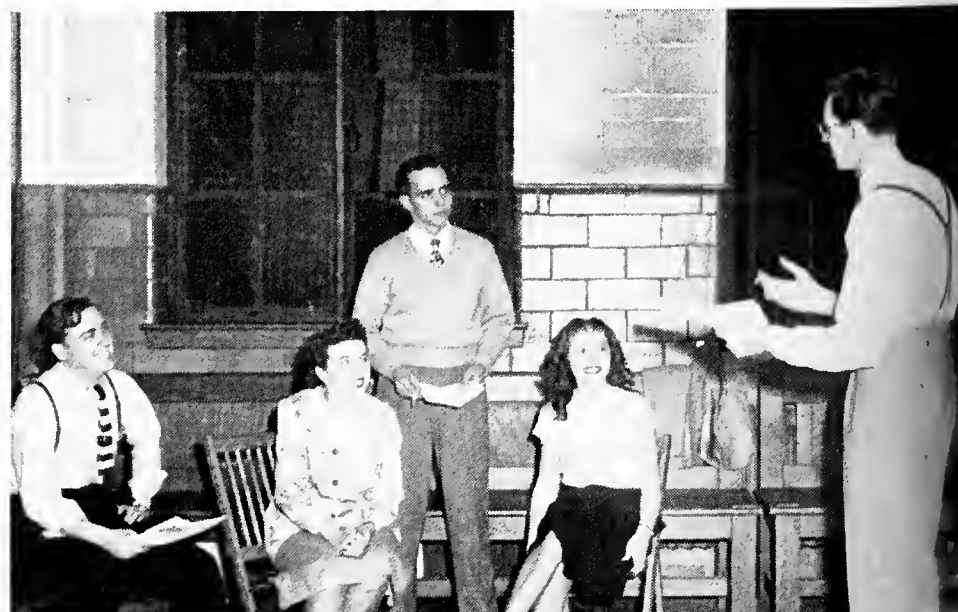

"Lab" plays are a worthy way of training new members of the group so that they may take part in the major productions with sufficient training and stage presence.

Working for Foreign Student Relief, Players presented "Riders To The Sea," produced by Edward W. Nugent and directed by James Blaney.

Michael Kovach and John Burns gave an evening of great entertainment with their presentation of "Swan Song."

Spring Dance

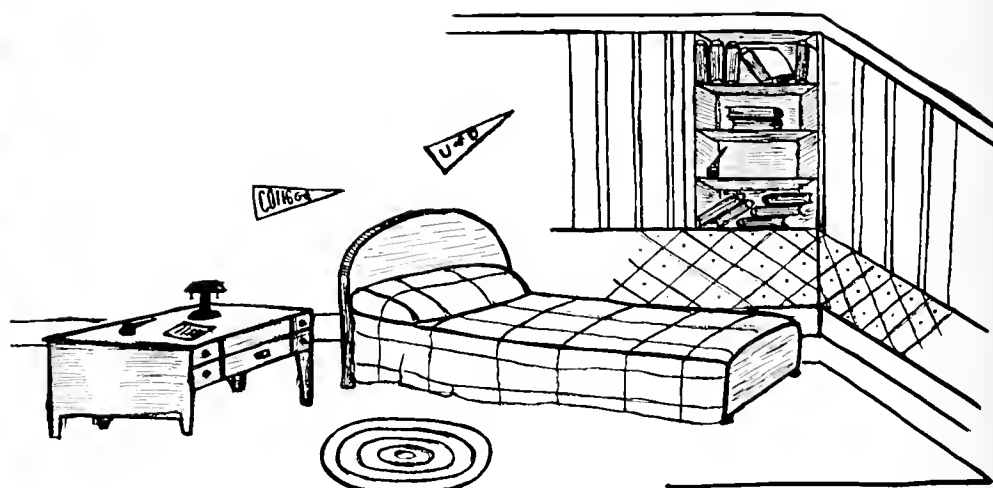

Large crowds gathered at Dowling Hall for opening night of "Spring Dance."

With "Spring Dance" the University of Detroit Players opened their successful season of major productions. Staged in the circular-theatre style introduced last spring, audiences reacted enthusiastically to this form of staging.

The Philip Barry comedy, centered about a New England girls' college, has three delightful acts where members of the college meet and humorously solve problems typical of campus life.

Although four performances were presented, the stage manager and his assistants were still faced with the problem of sufficient seating arrangements. Crowds turned sadly away at the sign placed over the door every performance, "Sold Out."

Special congratulations are due Director James Crowner and Production-Manager Patrick Blaney.

A tense moment as Shadow and Trock hold the center of attention.

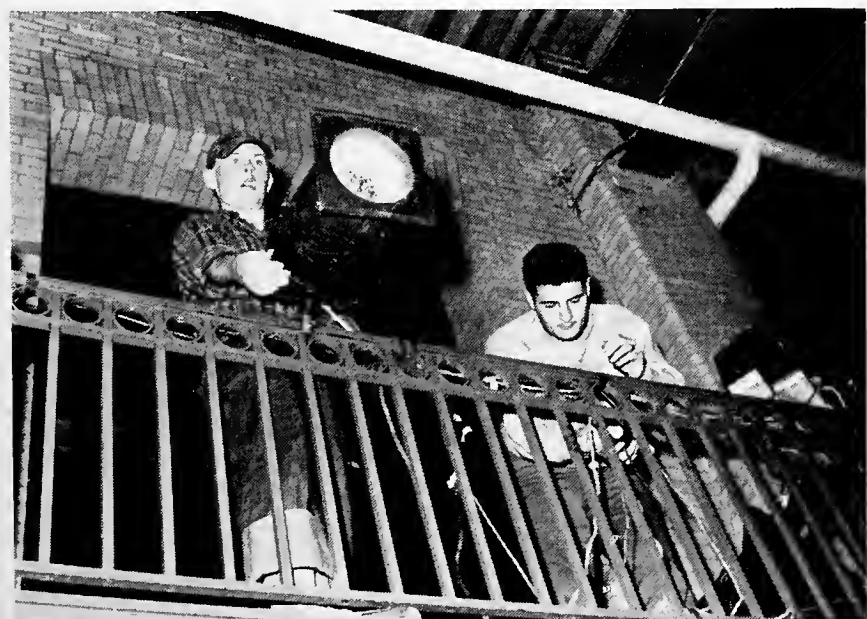

December 13, 14, 20 and 21 will long be remembered by members of the University of Detroit Players as the dates of their second major production, "Winterset."

This Maxwell Anderson play runs the gamut of emotions with its tenement background, tragic characters and confused hopes.

The play, written in blank verse, was given a very successful handling by the members of the cast.

Members of the technical crew deserve special recognition for the excellent lighting effects and stage properties. The circular theatre presents a difficult problem of appropriate properties that lead to the atmosphere of the setting. These difficulties were not only solved by the crew, but the final picture was one of professional appearance.

Director Newton Stark and Production-Manager Richard Burgwin did an outstanding job on this production.

Sodality activities throughout the year included both those of a religious and social nature.

During the football season the Sodality sponsored the "after the game mixers" to raise funds for the Grotto. Another event of the fall season was the annual Sodality picnic given last October.

Highlights of the Sodality year were marked by the appearance of various guest speakers who lectured to the group on many timely subjects. Among the speakers presented were The Rev. John E. Coogan, S.J., The Rt. Rev. Monsignor Leo DeBarry, and Mr. Robert Murphy of the F.B.I.

The Sodality closed its year with a World Sodality Day, which was held at the University of Detroit stadium.

The Uptown Sodality Officers at one of the regular meetings.

Sodality committee members of the Thanksgiving dance, Gobble Hobble, combined decorations and fun with their multi-colored balloons. The scene for this event was Dowling Hall.

Unable to obtain sufficient seats for the football games, members of the Sodality gathered about the radio. This is one way of enjoying the excitement of the season with all the comforts of home.

A winter scene that reflects the efforts and intentions of the Sodality. The statue of Christ was placed on campus, between the Commerce and Chemistry buildings, only after the many events the Sodality sponsored in order to obtain it.

Inactive since 1941, the University of Detroit All-Student Band bounced back into activity this year with all the zeal of the past.

Reorganization of the entire Band was accomplished through the capable and energetic leadership of one student, Jack Giere. Obstacles that seemed insurmountable were overcome by Giere only after months of preparation and hard work.

The excellent spirit which the Band has displayed was evident when they first performed at the opening football game. They marched through exacting formations with all the skill and ease of a professional group and continued to execute the same alert and zestful precision throughout the year.

For the first time in the history of the University, the Band sponsored a mid-winter and spring concert series. Rackham Memorial was the scene of their first departure from sports into the field of the classics.

The most entertaining assemblies of the school year were held at the Varsity Theater when the Band presented an hour of musical selections.

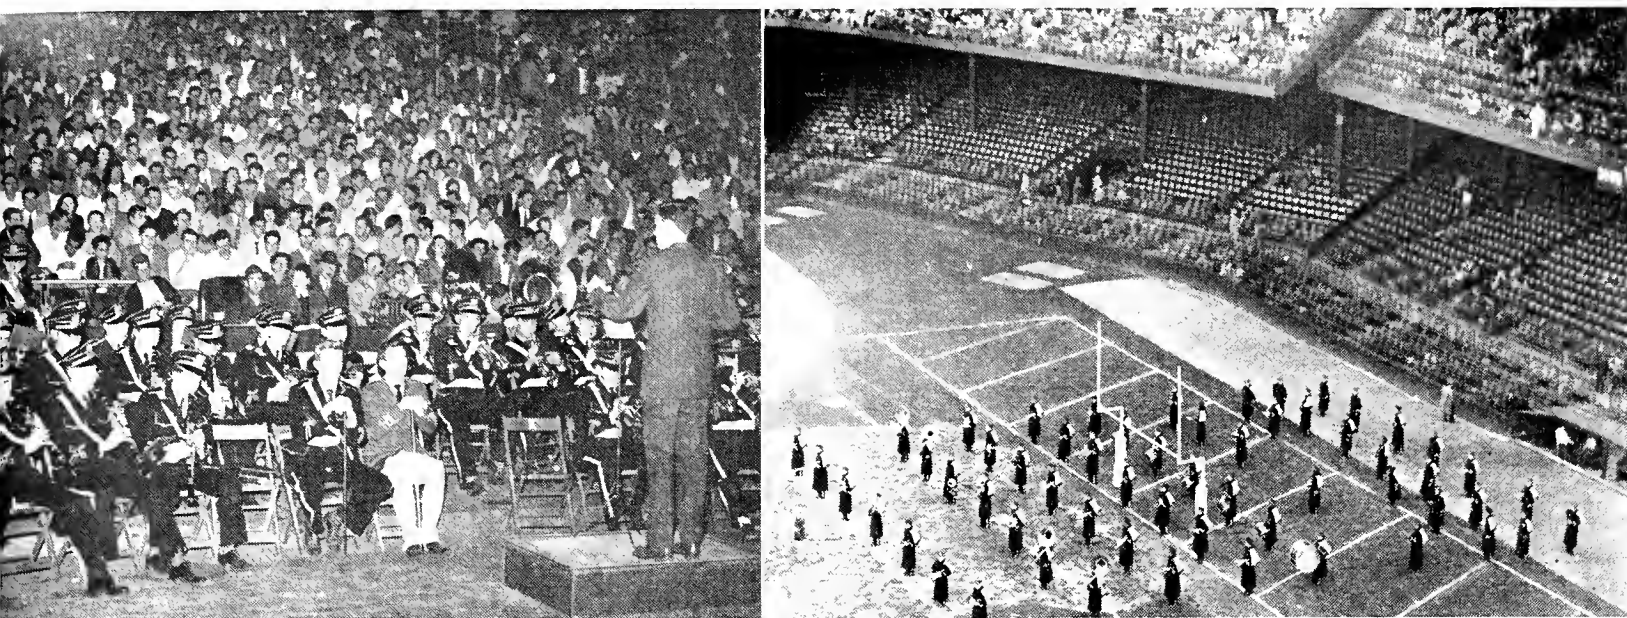

A vote of thanks from the students of the University is due Jack Giere, Dr. Richard J. Thompson, the organization's moderator, and the student manager, William Viau.

Women's Guild

Father Foley with Assistant, Mrs. Gilbert Brooks.

President, Mrs. C. J. Eberhardt.

The University of Detroit Women's Guild, organized May 17, 1945, under the sponsorship of the University as an auxiliary organization, has as its objective the advancement of intellectual and cultural interests and the enrichment of home and community life.

The University makes its educational and cultural resources available to the Guild through a series of lectures held at monthly intervals throughout the school year. Speakers are provided from the University faculty.

The monthly lectures are the keynote of each regular Guild meeting and are, therefore, the principal activity of the organization.

The University in presenting the lectures does so in recognition of the fundamental truth that intellectual and cultural development is the work of a lifetime.

It is hoped that the subjects presented will be an inspiration and a help to Guild members in fulfilling the many responsibilities of home and community life.

The privilege of membership in the Guild is restricted to representatives of families of University of Detroit students and is divided into the two following classes:

ACTIVE members—Mothers or guardians of students attending the University of Detroit.

ASSOCIATE members—Mothers or guardians of former students of the University of Detroit.

TITAN SPORTS

" . . . a healthy body is a good in itself."

JOHN HENRY NEWMAN

In the other sections of this yearbook, the reader has been presented with pictures and print the didactic and social aspects of school life at the University. In the following pages, the reader will come to know of the role of athletics in the same school life. Even without elaborate analysis it is not hard to recognize the importance of athletics in a University education. A mind is able to function unhindered in a physically sound body. Further, athletics are conducive to those qualities of self-expression, desire to achieve success and spirit of cooperation which are so essential in life out of the University. Above all, athletics teach man not to accept defeat as the cessation of hope, but as the driving force for greater endeavor. For the non-participants, the spectators, athletics offer the opportunity for relaxation and healthful divertimento.

A part of the spirit of any football game is the cheering of the crowd that accompanies it. Those responsible for the yells were, left to right, Tom Keenan, Dorothy Mahon, John Tocco, Adele Stone, Raymond Bray, Mary Bart, Ray Giger and Marylou Stockman.

As much of the sports scene as the athletes on the field are the spectators in the stands and the cheerleaders directing their cheers. The annual homecoming bonfire is the Titan follower's annual torch tribute to the efforts of the Titan gridders.

The annual homecoming celebration drew some 5,000 spectators. Above, part of the crowd.

Attendance at the Titan home football games reached a new high this year. The increase was accounted for by the general good weather that prevailed and the attractiveness of a night football game. Below is an interesting study in facial expressions of fans at a game.

Titan

Lloyd Brazil
Director of Athletics and Backfield Coach

At the helm of the University Athletic Board since the spring of 1944, Lloyd Brazil, one of the Titan's great football players, is guiding the Titan men toward a greater and more successful post-war era. To accomplish this aim, he has worked diligently and long. The initial step in this search for outstanding athletic performances was the admission of the University this year to the Missouri Valley Conference. This, Brazil feels, will result in a new "Golden Era" of sports at the University.

From player to athletic director in thirteen years is the record and achievement of the director of athletics. After a brilliant career on the gridiron and basketball court which won him a place on Grantland Rice's All-American team in 1928, Lloyd Brazil took over as chief of the Titan court fortunes in 1930.

From that time his duties have broadened, until today he is the most be-titled member of the coaching staff, carrying the portfolios of director of athletics, head baseball coach, backfield coach in football and business manager. In addition, he is the highest-ranking high school cage and football official in the Michigan High School Athletic Association and has been a National Pro Football League official.

Coaches

Not very often are the qualities of ability and amicability found together in the person of a football coach. One of these infrequent instances is found in the person of Charles 'Chuck' Baer, football coach. Since being appointed football coach three years ago, Coach Baer has gained the recognition and respect of players and observers alike, not only for his capability as a gridiron strategist, but also as a hard working, unassuming person.

For lack of an air attack, the 1947 edition of the Titans was a ground gaining team. At the end of the season, the team's rushing average of 319.7 yards per game was good enough to earn for them first place among the nations collegiate teams in ground gained rushing. The Titans also took third place, behind Michigan and Notre Dame, in total yards, passing and rushing, with a 400.2 yards per game average.

As backfield coaches, Baer had Lloyd Brazil and Eddie Barbour, no new names in Titan sport annals. Barbour also served in the capacity of head scout.

Credit for developing the Titans strong forward wall belongs to ex-Titan gridder John Shada.

Again serving in the unheralded role of team physician and trainer was Dr. Raymond Forsyth.

A freshman football team to develop players for the varsity was formed this year, the first since 1942. William Heiss, regular end on the 1946 University of Illinois Rose Bowl champions, coached the team. Bill Hintz, co-captain of the 1946 Titan gridgers, assisted Heiss.

For what the Titans didn't do in the air in their season-opening encounter with Central Michigan, they did more adequately on the ground. Here, halfback Joe Wright is being stopped by two defenders after his excursion into Chippewa territory.

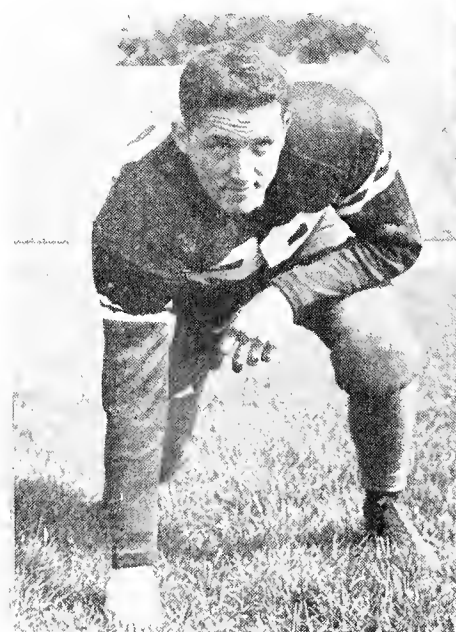

Detroit **34-14** Central Michigan

Opening their 1947 season against Central Michigan, the Titans unveiled the strength of their powerful grid machine. After failing with an overhead attack in the first half, the Red and White unleashed their strong ground attack in the second half to rout the Chippewas. Jack Kurkowski, Jack O'Leary, and Mike Kaysserian provided the scoring punch, also sparked by Jim Massey, Len Rittofi, and Bob O'Malley. The strong Titan line kept the Chippewas to a -10 yards in rushing. Only the passing of Chippewa halfback Don Pabalis kept the Red and White from completely routing Central Michigan as they took their initial encounter.

The Detroit line again showed that it could hold its own and played an exceptionally good game against the bigger Sooner line. The final gun saw all the spectators on their feet as Detroit put on a spirited rally which ended with an intercepted pass as the gun ended the game.

Detroit 40-7 Wayne

Detroit's cross-town rival, Wayne, fell in the next encounter. There was no stopping the Titans this time, as even the third stringers chalked up a score. Mike Kaysserian paved the way by scoring the first touchdown, one of three for the crashing fullback. Bob O'Malley, Jack O'Leary, Joe Wright, and Harry Peterson were others who harassed the Tartars. Linemen Jack Simmons, John Conti, Bob Solner, and Bob Greiner kept opening up holes while the backs scampered through for 502 yards. Wayne scored a touchdown late in the second quarter. The victory gave the Titans a 6-0 lead in their intra-city series.

Marquette 41-18 Detroit

The Titans next traveled to Milwaukee where they met the Hilltoppers of Marquette University. Sparked by the brilliant playing of halfback Joe Gagliardo, Marquette handed Detroit its worst setback since 1945. Using no particular means of obtaining their points, the Hilltoppers resorted to straight football to vanquish the Titans. Jack O'Leary and Mike Kaysserian gave the Titans two of their scores on running plays. Rudy Perpich accounted for a third score on a pass late in the game. Only the scoreboard indicated Marquette's edge. Despite the setback, the Red and White outpointed the Hilltoppers in every department.

The Titan's strong running game was responsible for the team's winning national collegiate ground-gaining honors. Halfback Wally Gruber, and fullback Mike Kaysserian, who ran up yardage in chunks all season long for the Titans, are shown making gains against Duquesne.

The above pictures are two good examples of the hard play of both teams that marked the Oklahoma-U. of D. game and kept the spectators on edge. In both pictures, the Titan forward wall has stopped the Sooner's ball carrier.

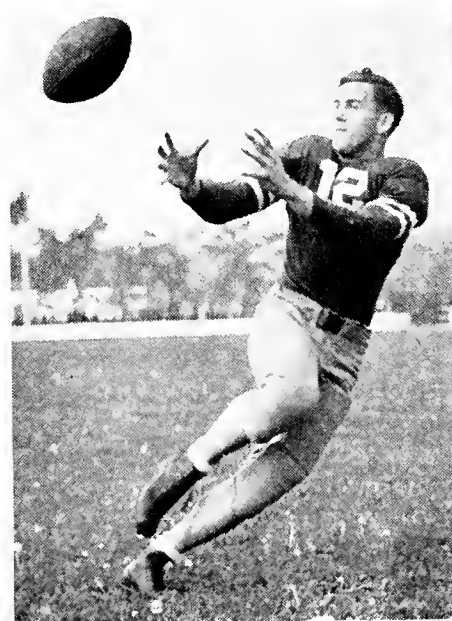

Villanova 14-12 Detroit

Ahead, 7 to 0, without running a play from scrimmage, the Wildcats of Villanova stayed ahead despite the repeated goal line drives of the determined Titans. Fighting valiantly, the Titans outrushed, outplayed, outgained and outfought the opposition only to find themselves beaten on the scoreboard. The Titans counted their scores on a 13-yard pass from Gene Malinowski to John Cullen and on a two yard plunge by Mike Kaysse-rian. Two other goal-line drives ended short on the 3-yard line.

Detroit 38-6 Duquesne

Smarting from the Villanova defeat, the Titans crushed an outmanned and helpless Duquesne eleven. Joe Wright ran 33 yards for a score on Detroit's first play from scrimmage, the Titan halfback's first of three touchdowns. Jack Kurkowski, Bill Haley, and Mike Kaysserian provided the Red and White with the other tallies. The Titan ground attack reached a new high as the backs compiled 547 yards by rushing. The Red and White line opened up holes with ease as Jerry Mutnal, Pat Kennedy, and Don Byerlein played an outstanding game. The lone Duquesne marker came in the closing minutes of play.

Detroit 19-6 St. Mary's

The Titans moved into Briggs Stadium to play host to St. Mary's of California. From beginning to end, Detroit outplayed the Galloping Gaels. All-American of the previous year Herman Wedemeyer found few loopholes in the Titan defense and less mercy at the hands of Red and White tacklers. The Titans tallied early in the game as Gene Malinowski surprised the defense with a drive off tackle for the first score. Wally Gruber skirted right end for the second marker, while Frank Audette caught a pass in the Gaels' end zone for the final marker. Wedemeyer scored the lone St. Mary's tally by plunging over from the one yard line.

The Titans next hurled their explosive ground attack against the visiting University of Nevada Wolfpack. Picked as the underdogs, the Titans soon proved to be more than a match for the outclassed Wolfpack. The Titans ran through and around the heavy Wolfpack line almost at will. Jim Massey, Mike Kaysserian, Jack O'Leary, Barney LaBoe and Archie Kelly accounted for the Titan scoring. Bob Solner, Bud Jeakle and Jerry Greiner played an outstanding game in the line. Before a rain-drenched Homecoming crowd of only 5,000 people, the Red and White splashed, slid, and slipped their way to victory over the outmudded St. Louis Billikens. Joe Wright and Mike Kaysserian, with two scores each, and Jim Massey and Len Rittorf with one apiece, scored the touchdowns for the Titans. Tulsa 30-20 Detroit

A revenge-inspired Tulsa football team outscored the Titans in the final game of the season. Seeking revenge for defeat suffered a year ago at the hands of the Titans, the Golden Hurricane overcame a first half deficit and Titan threats at scoring to achieve their victory. Jack Kurkowski scored twice for the Titans, playing one of his outstanding games of the season. The other Red and White marker came on a perfectly-executed pass play from Gene Malinowski to Dan Boisture. Credit for informing the Detroit public of the exploits of the Titans on the football field goes to the men who covered the games for the city's newspapers and radio stations. It was through them that the Detroit public knew of the achievements of the Titan gridders, either in victory or defeat.

Veteran among the men who followed the Titans for the newspapers was genial Sam Greene, of *The Detroit News*. One of the top sports writers in the country, Greene has been with *The Detroit News* for over twenty years. In that time he has covered all Titan sports. The stories he has written about Titan heroes over the period of years of service with the *News* are almost numberless.

Ed Batchelor, Jr., of *The Detroit Times*, (picture missing) represents the second generation of the Batchelor family that have written about Titan athletics. His father, Ed Batchelor, Sr., wrote formerly for the *Times* and the *News*. Ed Batchelor, Jr., is now taking up for the *Times* where his father left off.

A relative newcomer to the fourth estate as far as Titan sports are concerned is Bob Latshaw, whose stories appear in *The Detroit Free Press*. On the *Free Press* Latshaw does general assignment work for the sports department, but he has gained himself a wide following for his stories on high school, college and professional football.

All the Titan football games were aired this year over radio station WJBK under the sponsorship of the Nash auto dealers of greater Detroit. At the microphone for the play by play description for the home as well as the away games was amiable Al Nagler. No newcomer to the field of sports, Nagler has been broadcasting sports in Michigan for the past 16 years. He is well known among alumni as well as students at U. of D. for his always reliable coverage of Titan football games.

When WWJ-TV, *The Detroit News* television station, televised the U. of D.-Central Michigan football game, the Titans became the first college football team in the Midwest to have their football games brought to the public by way of the television screen. The complete schedule of home games was televised by WWJ-TV.

Paul Williams, widely known announcer for radio station WWJ, gave word descriptions of the football action to the television audience. Williams' job at the television microphone was by no means easy. The job is demanding since the announcer has to coordinate his account with the view on the television screen, and with the audience seeing as well as hearing the account of the action, the demand for exactness is great.

Athletic Board of Control

The cheering students at a Titan sports event take for granted that their favorite hero is out on the field competing against a traditional rival. The time, the place, the officials, the players, and they themselves seem to converge by mutual accord. It is not that simple.

Behind the cheering crowd, behind the fighting Titan men, are the unseen and unsung members of the Athletic Board who meet once a month for the purpose of directing the destinies of University sports.

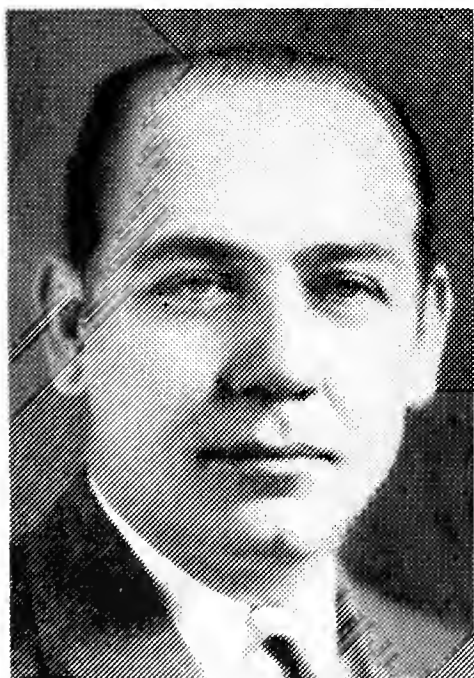

This year, the Board wrote a historic chapter in the sports annals of the University. Working silently behind the scenes, they secured admission to the Missouri Valley Conference which holds championship meets in tennis, golf and track and championship competition in football.

The board is responsible for the establishing of policy, the awarding of athletic letters, the establishing of eligi-

bility rules and their enforcement and interpretation, the approving of athletic schedules, and the recommending and hiring of coaches.

The board is made up of ten members, of which the treasurer of the University, the director of athletics and the faculty moderator of athletics are ex-officio members. Three faculty members and three alumni members, serve three-year terms. The present board is made up of the Rev. George A. Kmieck, S.J., chairman and faculty moderator of athletics; the Rev. Albert H. Poetker, S.J., executive dean; the Rev. Norbert J. Preusser, S.J., treasurer; Prof. Paul P. Harbrecht, Prof. William Kelly Joyce, the Hon. Thomas F. Maher, Julian Cheviron and Joseph Payette.

The Very Rev. William J. Millor, S.J., president of the University, and Lloyd Brazil, director of athletics, are the ex-officio members of the Board.

Basketball

For minute after minute of fast action, no sport can match the fast moving action on the basketball court. In this, as in no other sport, the margin of victory can easily be two points scored on a basket in the last minute of play, or the margin of defeat one point scored on a free throw.

Basketball Statistics

Before the start of the season, the future looked dim for the 1947-48 Titan basketball team. With the return of only two lettermen from the previous season, there was little to the hope that newcomers could fill the gaps in the lineup.

The season began for the Titans with two successive victories, over Kalamazoo and Western Ontario. Despite these two victories, the outlook for the future did not improve. A team that would test the true strength of the Titans was still to be met.

In the ensuing games, the Titans met teams that were more than fitted to test their strength. After breaking a 7 game losing streak with a victory over the traveling South Americans of the University of Quito, the Titans resumed their losing ways with another losing streak, this time of 5 games. The season's end found the Titans with only 7 victories as compared with fifteen defeats.

With the odds of victory so heavy against them, the Titan cagers were still able to exhibit a remarkable spirit in defeat. Neither did they ever lack the determination to win.

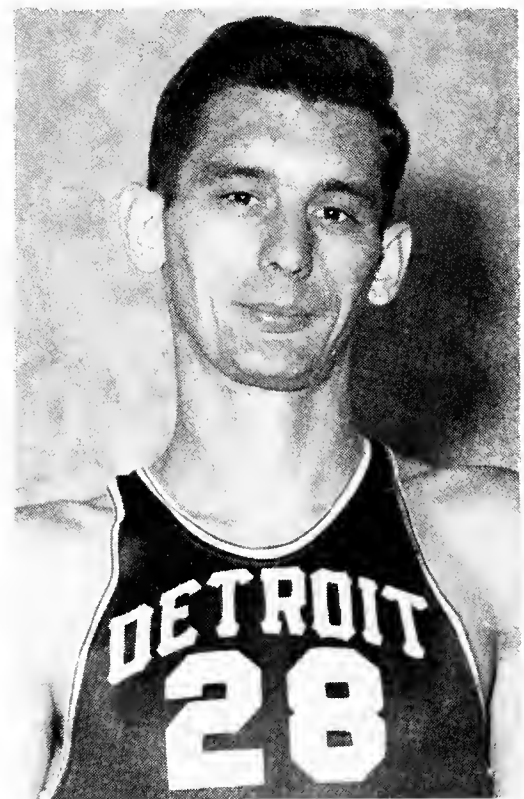

It was the second year as head basketball coach for John Shada. Considering that with his inexperienced team Shada had before him not only one of the toughest lists of opponents, but also one of the longest schedules in Titan history, the number of defeats can not be justly weighed against the number of victories.

Three trophies were awarded this year to members of the basketball team. Warren Hintz, above, received the Don Wattrick Most Efficient player award. Pat Kennedy received the Most Improved Player trophy presented by the Varsity News. Brendan McNamara was awarded the Upsilon Delta Sigma trophy for leading the team in points scored.

Baseball

As a slower moving and less strenuous sport, baseball has a lure for everyone. A safe hit by the home team, a stolen base, a fumbled ball by the opposing team, and a disliked umpire all make college baseball a popular sport as well as a national pastime.

Lloyd Brazil
Head Baseball Coach

Blessed with exceptionally good weather, the 1948 edition of the Titan baseball squad rounded into fine shape rapidly.

This year's team is composed of seasoned veterans and promising newcomers who may well produce one of the greatest teams in U of D's baseball history.

Coach Lloyd Brazil fielded an opening lineup against Alma with lettermen at six of the nine positions. Included among this group were: Captain Bob Prendergast at third base, Bob Gorman at second, and Warren Hintz at first. In the outfield were Brakie Orr in left and Bob Heym, a converted infielder, in center. The remaining letterman was tall, gangling Bob Miller on the mound.

The remaining positions were filled by Herbie Boldt at short, Jack O'Comer in right and Lee Van Hevele behind the bat.

So far this season the Titans have 4 wins and 3 losses, the result of victories over Alma, Wayne, Percy Jones and Toledo. Their losses were inflicted by Michigan State, Michigan and Michigan Normal.

The loss to the Spartans was a heart-breaker. Enjoying a 5-1 lead going into the ninth, the Titans lost the lead and State forced the contest into extra innings. The 12th inning proved disastrous as State pushed across two runs to down the Titans 7-5.

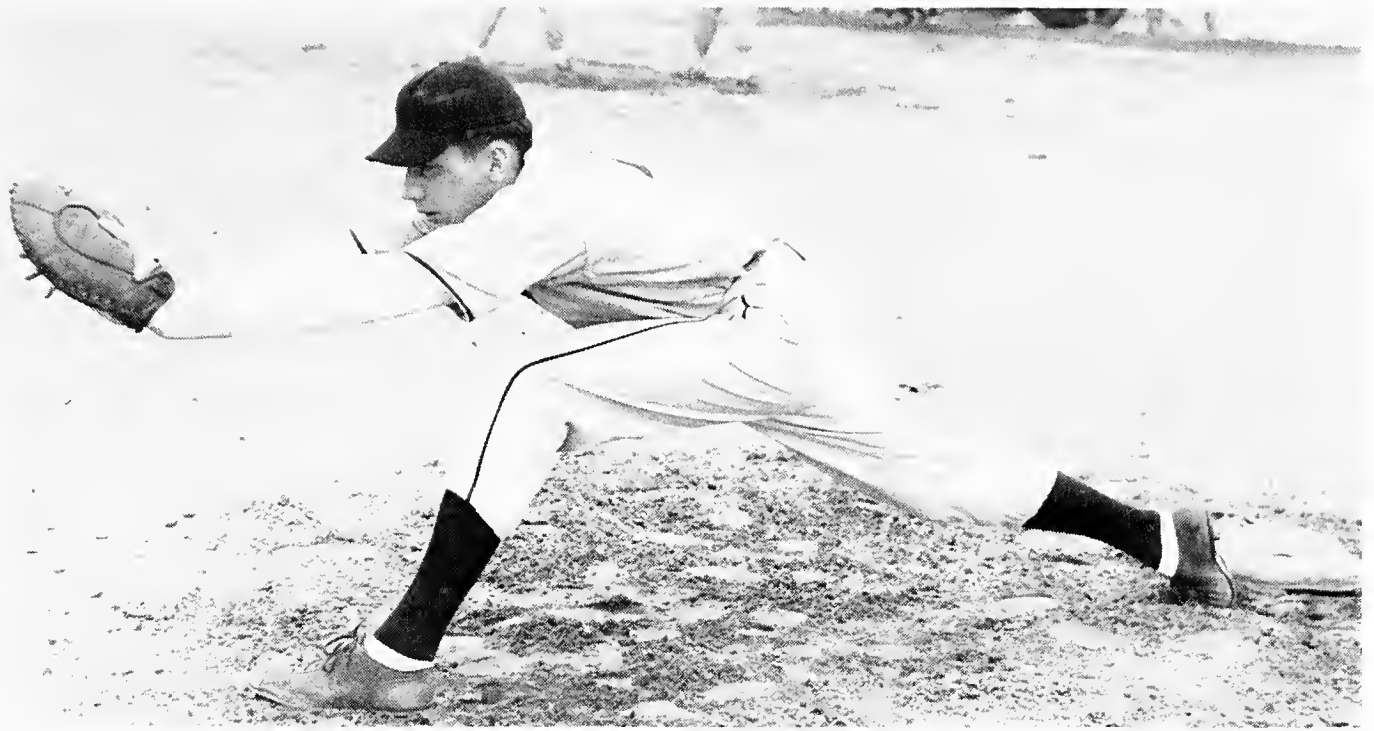

In all, the Titans have 12 lettermen back from past year's teams. In addition to the six mentioned earlier, there are: pitchers—Al Thieleman, Ed Zaliagiris, Pete Vivano and Ray Pety; outfielder, Dick Reading and infielder, Tony Lenzion.

Two promising hurlers returning from last year's squad who are being counted on to add to the Red and White pitching punch are Andy Dranchak and Bob Totte, both sophomores with two more seasons of eligibility.

The all important positions in the Titan infield were filled by three veterans and one newcomer to the Titan baseball team. At third base was Captain Bob Prendergast, who was putting in his third season as a regular. The newcomer to the infield was Herb Boldt, second from left, who held down the short-stop position with Tom Lenzion. With two years playing behind him, Bob Gorman held down second base for the third straight year. For Warren Hintz, extreme right, it was the first year as starting first baseman, although he played at that position on last year's team.

Warren Hintz, who won the first base starting assignment this year, covered his position rather well due to his height and versatility. Above, he is shown stretching for a wide throw.

The Titan trio pictured below could always be depended upon for a good performance at their respective positions when the need arose. Tom Lenzion, far left, alternated with Bob Boldt at shortstop. Bob Miller, center, was one of Lloyd Brazil's selections for starting pitcher. Bob Gorman, right, played at the pivot position on the team.

Upon the shoulders of the coach rest the responsibility for teaching the fundamentals of the game to the players and correcting whatever faults they may have. Lloyd Brazil, himself a baseball star years ago, is shown demonstrating the proper swing of the bat to John Smith, who tried out for the team.

Case . . . Michigan State . . . Illinois Tech . . . Loyola

Showing considerable improvement over last year, the Titan swimmers ended the 1948 season with a creditable record of 4 wins as against 3 losses.

The mermen opened the season by splashing to a 50-25 victory over Ohio University. Ed Pinkerton, Fred Carbonero, Lon DeMarco, Dick Mandle, and Carl Kegelman all captured first to pace the Detroit team.

The Titan swimmers then ran into trouble as Michigan State and Bowling Green outpointed the team. Fred Carbonero, Frank Bielman, Vince Haroney, and Denis Schmiedeke did the brunt of the Titan scoring.

Paced by Frank Bielman who captured two firsts, Detroit then swamped Loyola of Chicago by a 50-25 margin. Jim Finn and Bob Quist also helped the team to garner points.

The Titans then took time off from regular competition to take part in the Michigan AAU Championship. The 400 yard relay team composed of Lee Embrey, Fred Carbonero, Denis Schmiedeke, and Ed Pinkerton took a share of the honors. Their time of 3:49 set a new University record and was only 4 seconds short of the winning time set by the powerful relay squad of the University of Michigan.

Fresh from their AAU success, the Titans then smothered Illinois Tech in a lop-sided, water-logged meet,

57-18. The Titans captured six firsts and placed in each event.

Detroit's traditional rival, Wayne, marred the record by outpointing the Titans despite Denis Schmiedeke's fine showing.

Smarting from this defeat, the tankmen churned to a 46-29 win over Fenn college in the season's finale. Howard Ternes, Ed Kegelman, and Frank Bielman paced the team.

Indicating their improvement, the tankers set or tied 15 existing swim records. Four of these were against high calibre opponents in the Central Collegiate Conference Meet.

Frank Bielman was the outstanding swimmer on the squad. Garnering 48 $\frac{3}{4}$ points, Frank broke the record which was set by Bob Heretier in 1945.

Swimming

Amiable Wallace W. Laury has coached the Titan mermen for the past two seasons. Unlike most coaches, who depend on their own collegiate record to gain merit, Laury has ascended the ladder of success one rung at a time. Achievements, not records, have lifted him to his present post as Titan tank mentor.

A graduate of the University of Minnesota in 1927, Laury did not take part in competitive swimming there. He came to Detroit to gain a position in the city's public school system. His interest in aquatics was so great that he took over the tank team at Northwestern High School the same year.

Building his first U of D squad around a group of inexperienced freshmen, Laury churned tirelessly to keep his head above water. His efforts began to bear fruit this season when the Titan tankmen were victorious in four out of seven meets.

Frank Laury
Swimming Coach

Members of the 1948 Titan swim squad set more varsity records than any other team since swimming was established at the University. Left to right are Dick Mandle, Jim Finn, Lou DeMarco, Ed Pinkerton, Carl Kegelman, captain Frank Bielman, Lee Embrey, Art Ternes, Denis Schmiedeke and Fred Carbonero. Standing is Coach Frank Laury.

Athlete of the year

For his ability on the football field and on the cinder track, and for his amiable disposition as a sports figure, Wally Gruber was selected by the student body as the Athlete of the Year in the annual poll sponsored by the Varsity News.

As a halfback on the football team, Gruber's best defensive weapon was his speed. When there was a possibility of a touchdown being scored on a breakaway play, Gruber almost always was on hand to tackle the job.

In track, for the second year Gruber is continuing to excel in the 220, 440 and mile relay events.

As winner of the student poll, Gruber becomes the first athlete to receive the Vince Kadi Memorial Award, instituted this year by the D Club in honor of Vince Kadi, halfback on the 1933 Titan varsity squad. Kadi met an untimely death that year when he fell off a horse while riding. The award will be presented yearly in his memory.

The final number of votes cast for Gruber totaled 3,374. Second to Gruber was football halfback Jack Kurkowski, who received 1,305. Last year's winner, Joe Wright, came in fourth with a total of 700 votes cast in his favor.

Track

Track is one sport that demands durability—and speed. In the two mile run, after four gruelling times around the quarter-mile long track, there remain four seemingly longer laps. In the 100, 220, 440 and 880 yard dashes, a quick start and an unbroken rapid pace are required of the winner.

Findlay . . . Heidelberg . . . Bradley

The presence of ten lettermen, plus another dozen squadmen and promising newcomers, gave the 1948 track team a look of poise and experience that it has not enjoyed since the sport was reinstated following World War II. The most extensive schedule in the school history will prove the mettle of the trackmen who have already compiled an impressive record of four consecutive victories.

Dr. Raymond D. Forsyth, connected with the University as team physician since 1934, has taken over his first coaching assignment this spring, succeeding John M. May at the helm of the track squad. Dr. Bernard F. Landuyt, Director of the Department of Economics, is his capable assistant.

Walter Gruber, who holds one Titan varsity record and shares in two others, began this season with brilliant success in the 100 yard, the 220 yard and the 440 yard dashes. He has also teamed with Gino Sovran, Bob Rooke, and Jack O'Leary to produce a University record of three minutes and twenty-nine and one-half seconds for the mile relay.

Don Nufer, top man in the weight events last year, is repeating his excellent performance in the present meets. Proficient in the shot put and the discus throw, he does his best work in the javelin event where he has established a University record of 182 feet.

Gino Sovran not only shines in the mile relay but also performs in the field events where he consistently places first in the running broad jump and the high jump. Another consistent performer in the field events is Ben Archer, holder of the Titan varsity pole vault record.

Other mainstays of the track teams are Dick Trafney who excels at the mile, Frank Synk and Wayne Shontz who run their opponents to the ground in the two mile event and Jack O'Leary, Bob Rooke, Emory Parke and Frank Bartos who are proficient in the short sprints.

Stars in the low and high hurdles are Stan Fasan, Lou DeMarco, Charles Hitchens, and Dick O'Connor.

The picture at the left was taken at the beginning of the 220 yard dash in the Hillsdale meet. On the far left is Jack O'Leary, who finished fourth. At the far right is Wally Gruber, who won the race in :22.1 seconds.

Titan Fencing

Finishing the season with a .500 average, the Titan fencers posted the best season record in this sport since its inception in 1937.

Led by Captain Jerry Bruce, the University swordsmen compiled a record of three wins, three losses, and one tie. During the season, the Titans were victorious over the University of Toronto, Tri-State College, and Cincinnati, and tied with Wayne University. The losses were to Notre Dame, Michigan State College, and Oberlin.

further distinction by winning the first Michigan Collegiate Team Championship. The team won over Michigan State, Lawrence Tech, University of Michigan, Wayne, and Highland Park J. C.

John Bruce, Jerry Bruce, and Al Kunzmann won the gold, silver, and bronze medals, respectively, in the epic competition in this event.

Jerry Bruce brought the first national ranking in this sport to the University by taking third place saber honors at the NCAA championship at Annapolis.

To add to these conquests, the fencers amassed a total of nine medals in State Amateur Fencers' League competition. These included two gold, two silver, and five bronze awards.

Titan Tennis

Boasting a wealth of personnel and a great deal of experience, the tennis squad is having one of the best years in the history of the school.

The entire varsity squad from the previous year was on hand at the opening of the season to face the 13 game schedule. Captain Bob Kleinsmith, Larry Kane and John Walton, all veterans, formed the nucleus of this year's team. However, they were severely put, to keep up with the newcomers, Walter English and Al Renuart. English quickly took over the number one spot for the Titan net men and has

sparked them to four victories in five matches. Thomas Ryan and Dick Zaborowski rounded out the squad.

The team is coached by Walter (Pudge) Cavanaugh who is a star in his own right, having won three letters in basketball and tennis. He captained the Titan net squad in his senior year.

An interesting sideline on Cavanaugh's coaching activities lies in the fact that the Titan mentor serves without pay in order to retain his amateur standing.

Even with the loss of two lettermen from last year's squad, hopes are high for the tennis team to turn in one of the best season records in the school's history. Four of Five Boxers Took Titles in CYO Tourney

Although unrepresented in collegiate boxing circles, the University was well represented in Detroit's Catholic Youth Organization boxing tournament, held in February.

Out of five U. of D. pugilists who entered the ring the night of the finals, four came out at the sound of the bell as champions in their respective weight classes.

The one loss to the pugilists came in the open heavyweight class. Jerry Greiner, center on the varsity grid squad, took on the defending champ from the previous year. Experience spelled the difference of victory as Greiner was knocked out in the first round. Despite the defeat, Greiner is considered the best prospect for the title next year. In the tournament Greiner fought for the Catholic Central boxing club.

One of the four victories scored for the U. of D. boxers was registered in the novice heavyweight class by 200-pound Jerry Migala. Migala, who was

a lineman on the freshman football team, easily out-boxed his opponent to take the championship in his class. Like Greiner, Migala fought for the Catholic Central boxing club.

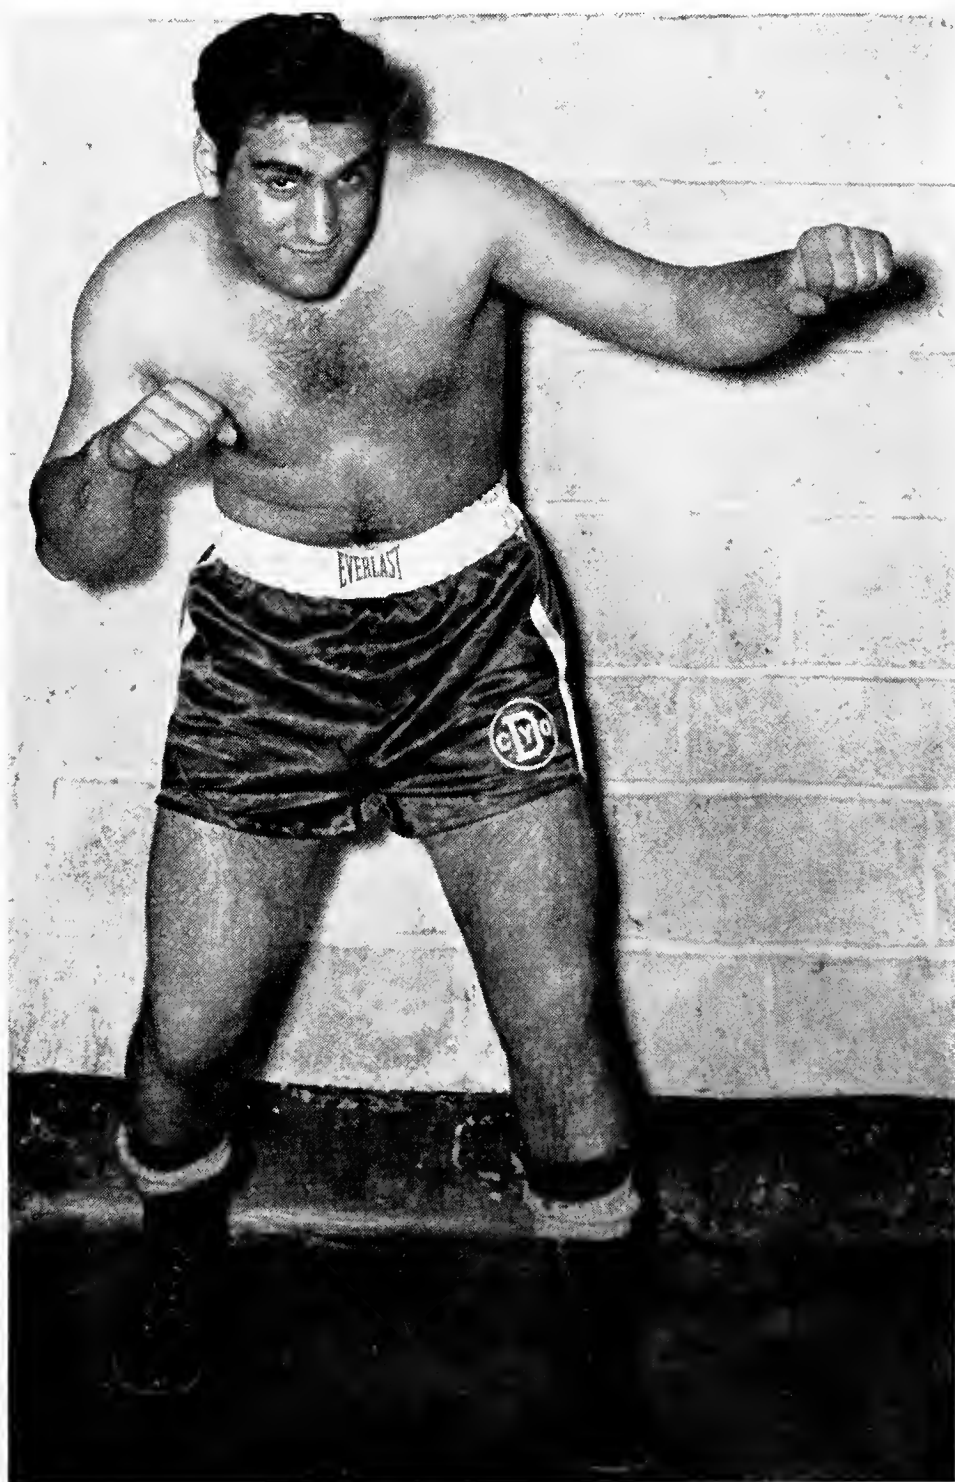

The second freshman to take honors in the tournament was Tom Hoomaian. Fighting in the light heavyweight, class B category, Hoomaian had little trouble while gaining his decision. He fought for the Highland Park Boys club.

One of the most exciting bouts on the card the night of the finals was in the novice middleweight class, in which Jack Robbins won his championship. After three rounds of hard fighting, the decision was given to Robbins on the basis of a small margin of superiority. Robbins represented the St. Cecelia boxing club.

The championship in the 147-pound class went to Tom Fitzgibbon, who fights for the Gene Tunney Boys' club. The hard-punching Fitzgibbon outscored his opponent in the three round match.

Titan Golf

Opening his fourteenth year as head of the Titan linksmen this spring, Coach William Kelly Joyce has built his 1948 six-man squad around five lettermen. Captain Dick Benchler, winner of the highly coveted Fisher Trophy for two consecutive years, once again became high point man of the team.

Biggest surprise to Coach Joyce this spring was the improved playing of Don Visscher who came within one point of capturing the Fisher Trophy. Visscher has played in the number two slot. Number three man on the roster was filled by John Povlitz who played his third season as a Titan golfer. Another two year letterman to see plenty of action the past spring was Bob Devine. Bob ranked fourth among the point winners of the squad.

Roy Iceburg, a 1942 letterman returned to the team last spring after four years in the service. Newcomer to this year's squad is Frank Vogt, a senior.

The Red and White Linksmen opened their 1948 campaign with a three day invasion of Indiana. Playing on strange fairways and greens, they dropped tilts to Purdue University, the University of Indiana and Butler University.

After dropping matches to Northwestern and Toledo the following week, the Titan linksmen journeyed to Chicago where they clubbed their way to victory over a stubborn Loyola team, 14½ to 12½. Best cards of the Titans that day were those of Visscher and Turner who shot a 44 and 45 respectively.

Intramural Football

Not only have the residents of Holden Hall contributed lettermen to the football team, but they have also banded together a team of lesser stars who succeeded in becoming intramural football champs.

The players from left to right in the front row are Joe Raispis, Dick Drahos, Al McKitis, Tom Bryant, John Sweda, Jim Lehman, Al LeFevre.

In the back row are Fr. Edmund Montville S.J., Don Fitzgerald, Bob Light, George Pochan and Jim Smith.

Not to be outdone by their sister coeds on the Uptown campus, the freshman coeds on the Jefferson campus formed a basketball team. With a lack of experienced players, the team went through the season without a win. The members of the team are, reading from left to right: first row: Marie Synk, Co-Capt. Barbara Kading, Co-Capt. Mary Ann Smiley and Francis Wieleba; second row: Betty Lou Hitt, Katherine Clark, Beverly Hochstein and Terrian Porter; third row: Coach Danny Walos, Mary Ann Browlee, Barbara Gaule, Dorothy Kalin and Coach Gene Gatza.

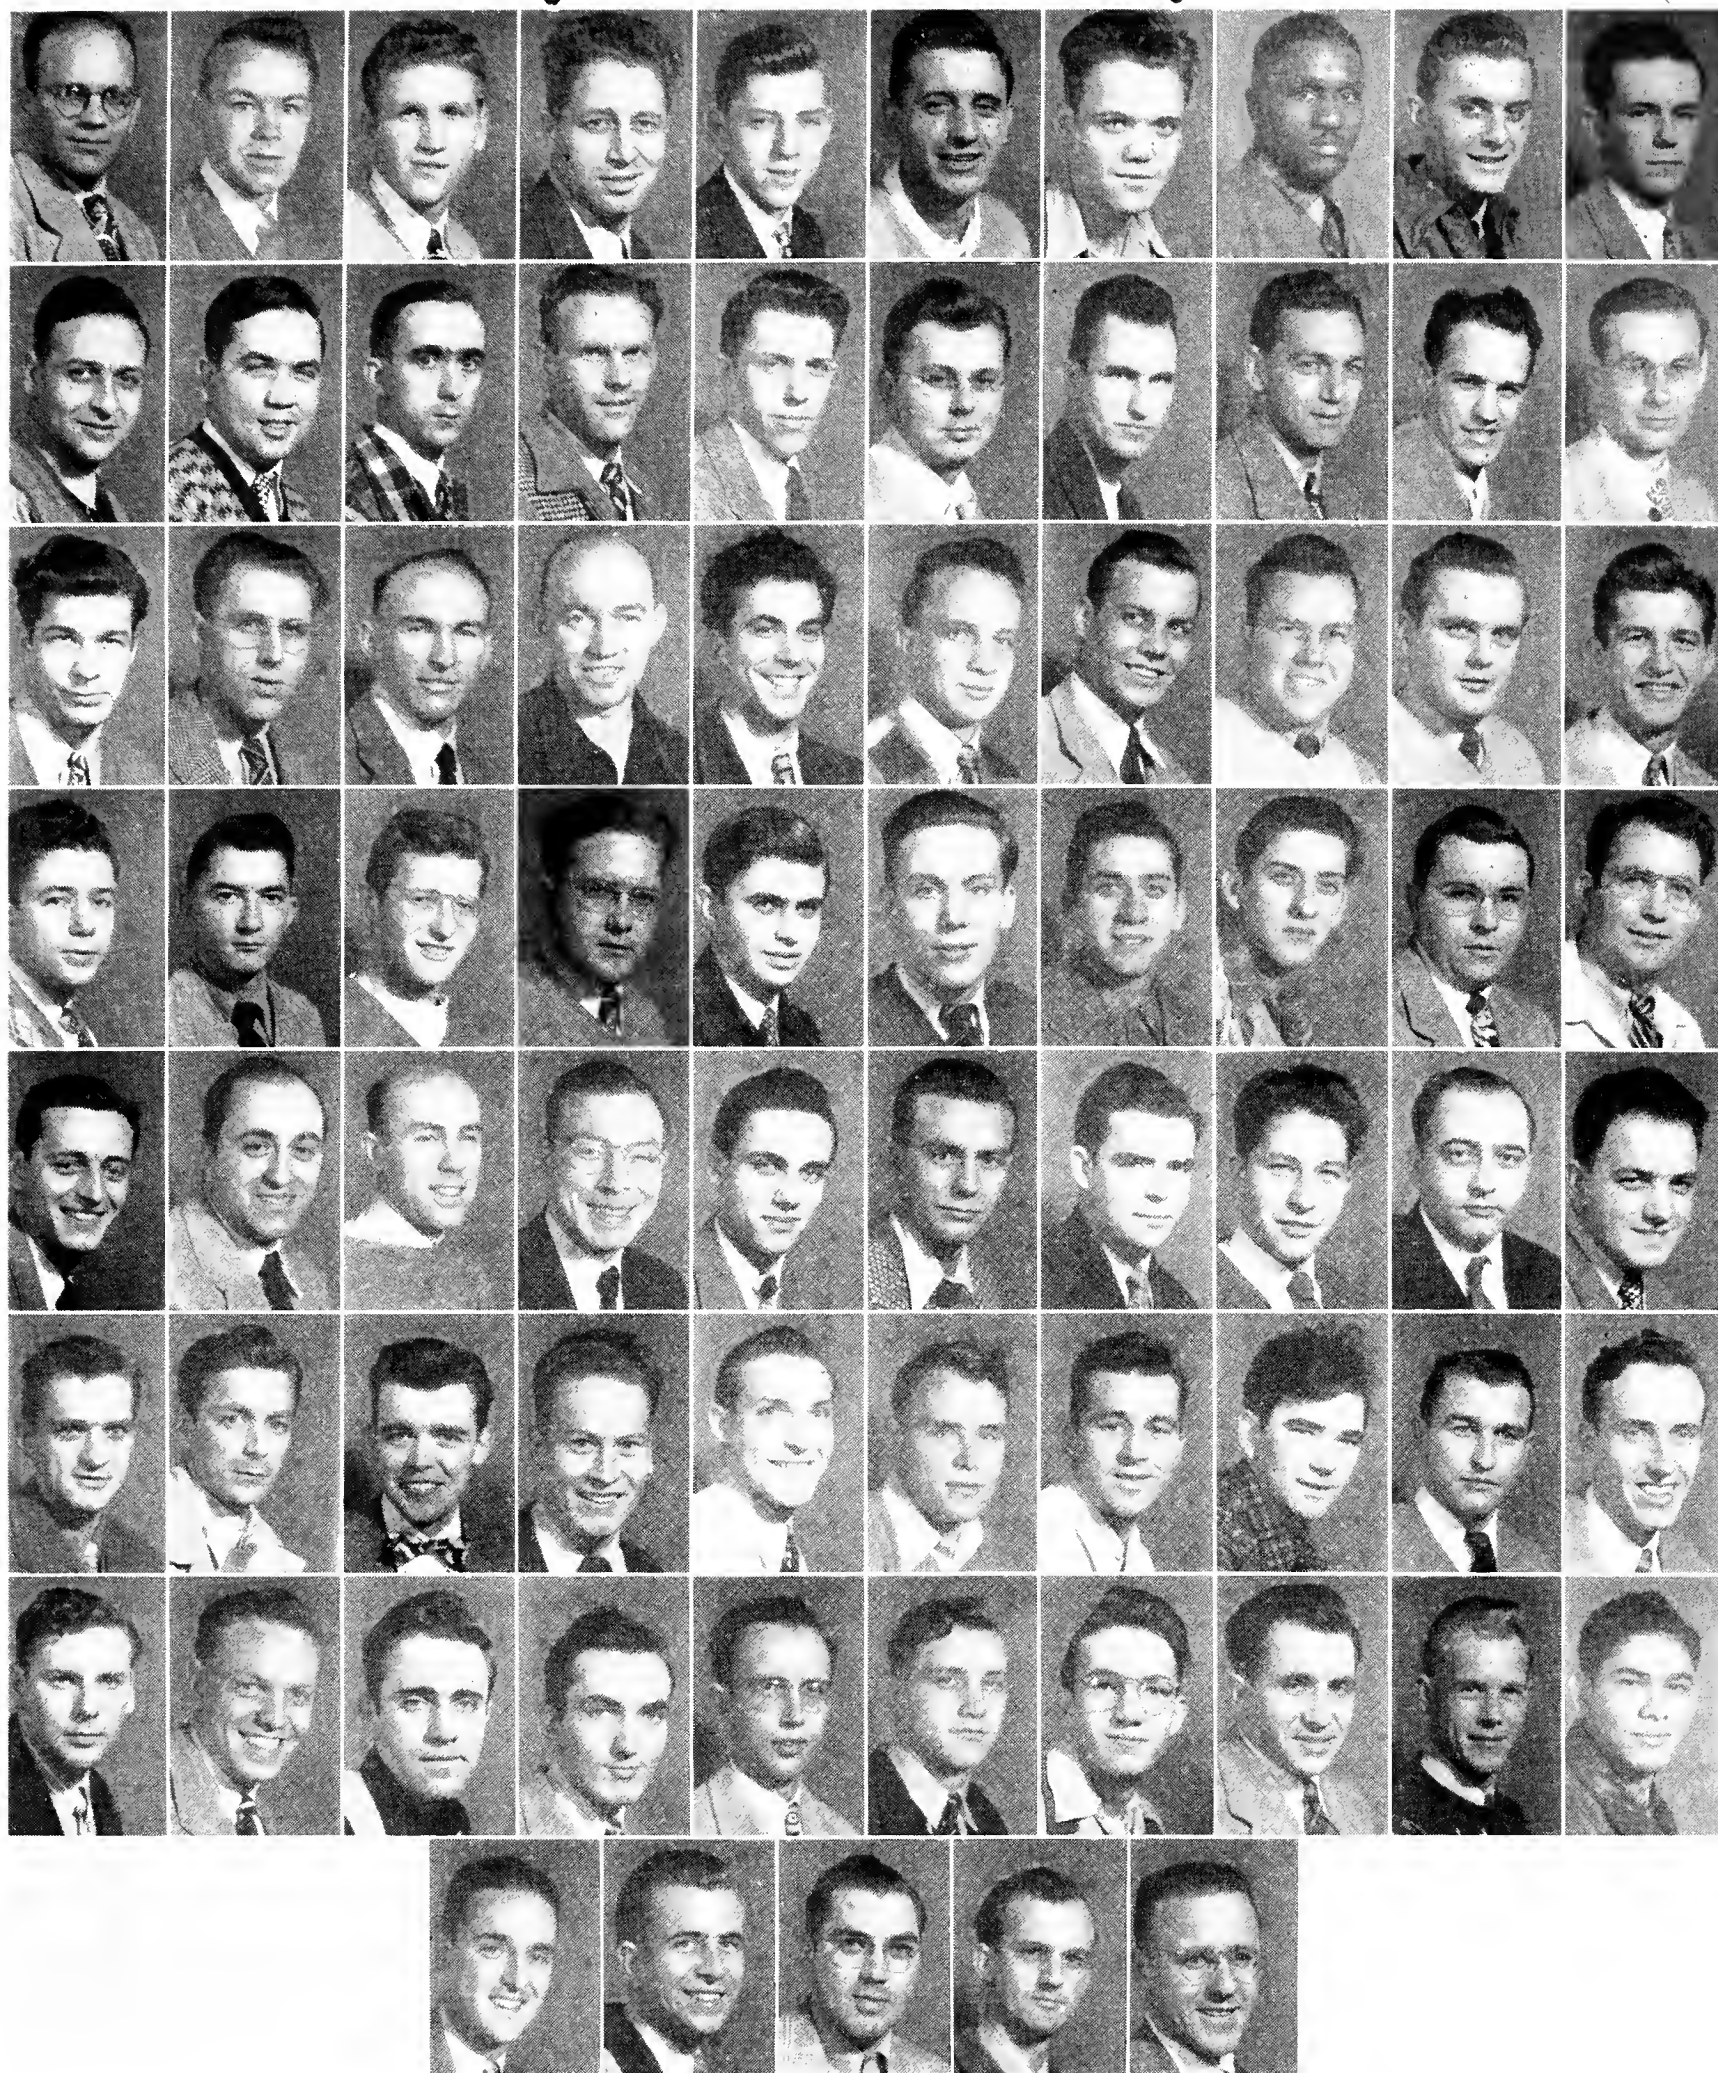

Coed Basketball Team

Pictured at the left is the Uptown campus coed basketball team that was victorious twice over their less experienced sisters from Dowling Hall. Besides the two victories over Dowling Hall, the coeds won over St. James while losing one game to Highland Park Junior College. Reading from left to right, the members of the team are: front row: Pat Ospalek, Capt. Louise Kovach, Bernice Pilewski and Virginia Schneider; second row: Ilene Reiner, Adele Stone, Barbara Piotrowski, and Jean Lyons; third row: Maribel Steen, Mary Jane Cummings, Helen Gillies and manager Kay Kushner.

STEEL...

METAL OF PROGRESS

Steel is the metal that translates dreams into developments, plans into products. It has been rolled, bent, drawn, hammered and punched into every conceivable shape . . . tempered and treated to give all kinds of properties . . . welded and fastened into countless assemblies. Steel is a great metal to work with.

From the mills of Great Lakes Steel Corporation come many useful steels for industry: N-A-X High-Tensile, N-A-X 9100 Series, hot and cold rolled sheets and strip, Stran-Steel framing for "Quonsets," homes and other buildings. All serve a purpose—and serve it well.

Aladdin's Genii Were Pikers

TODAY, Aladdin's genii would have first-class inferiority complexes. The trouble? There are so many man-made wonders to show them up as "bushers" in the Miracle League.

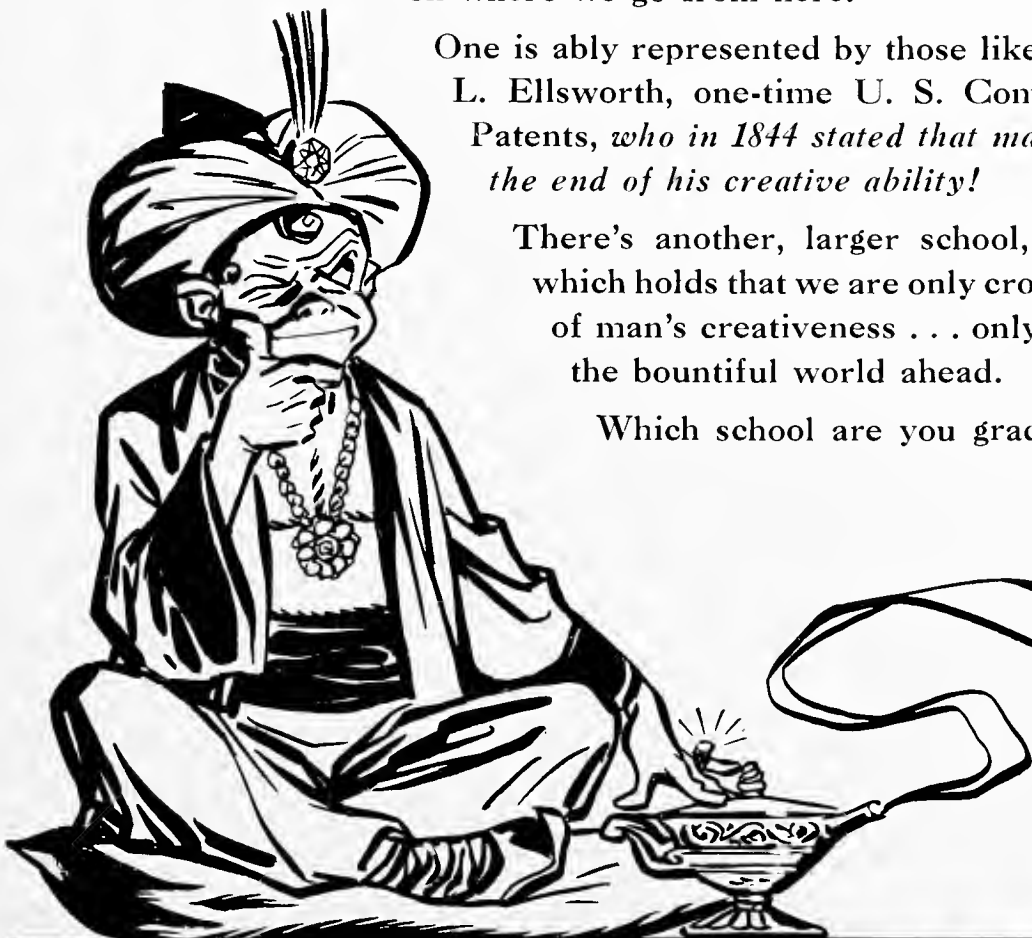

Could any amount of lamp rubbing produce, for example, such out-of-this-world things as: the electron microscope, germ-killing lamps, jet planes or the electric eye? They've also switched radar from the battlefield to the kitchen in a dingus which will roast a hot dog, or broil a steak, before you can draw a cup of coffee to go with it. It's enough to give any Class A genie a nervous breakdown.

And, as always, there are two schools of thought on where we go from here.

One is ably represented by those like Mr. Henry L. Ellsworth, one-time U. S. Commissioner of Patents, *who in 1844 stated that man had reached the end of his creative ability!*

There's another, larger school, thank goodness, which holds that we are only crossing the threshold of man's creativeness . . . only beginning to sense the bountiful world ahead.

Which school are you graduating into?

For Every **Bring Your FORD**

SAVE TIME, SAVE MONEY

Stands to reason when your Ford needs fixing, the best place to take it is back "home" to us! Here are four good reasons why we can do the job better and faster:

1. FORD-TRAINED MECHANICS.

Our mechanics know your Ford from A to Z. They know what it needs—they know how to fix it quickly and thoroughly. They're specialists in Ford Service.

From a Simple Tune-up to a Major Overhaul . . .

Service Need Back "Home" to Us

WITH OUR 4-WAY FORD SERVICE

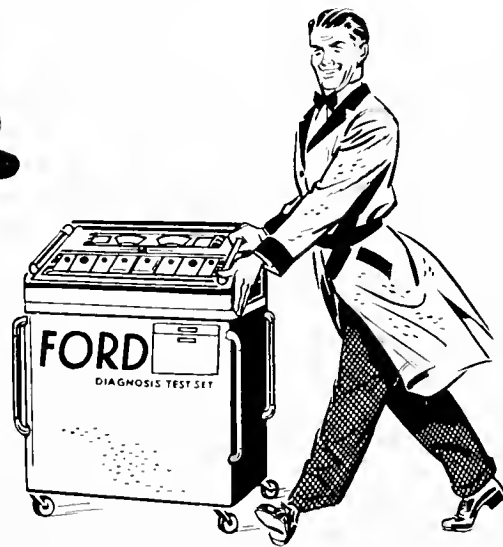

2. FACTORY-APPROVED METHODS.

Our mechanics use service methods developed by the engineers themselves on every service job. That means a faster job and a more efficient one, too.

3. SPECIAL FORD EQUIPMENT.

We check and double check every service job with Special Ford Equipment just to make sure the work is done exactly right. This special equipment is still another assurance of real service for your car.

4. GENUINE FORD PARTS.

They're Identical Twins of the parts built into your Ford at the factory. They're made right to fit right and last longer. We use them whenever replacement parts are needed for your Ford, to give you more trouble-free miles of performance.

Journalists Organize U of D Guild Unit

FORMED at the University of Detroit late in the second semester, the U of D Guild, affiliated with the Newspaper Guild of Detroit, and the American Newspaper Guild, includes among its members journalism students, staff members of The Varsity News and Tower, and staff workers in the University of Detroit news and sports services.

Officers elected in April were: Chairman, William Winchester, Commerce junior; Vice-Chairman, Vern Twamley, Commerce junior; Corresponding Secretary, Mary Campbell, Commerce junior; Secretary, Pat Helferty, Commerce junior; Treasurer, Jerry Barry, Commerce sophomore; and Representative, Kenneth Fermoye, Arts freshman.

Fermoye and Winchester represent the U of D Guild at Board meetings of the Newspaper Guild of Detroit.

The Guild attempts to give its members a practical picture of journalism by arranging meetings, round table discussions, panel discussions, etc., with members of Detroit's working press. It also provides opportunities for close observation of newspapermen at work, the activities of the Detroit Guild, and professional criticism of student work.

Congratulatory messages on the founding of the unit were received by U of D Guild officers from Paul Weber, assistant city editor of The Detroit Times; Don Shram, state editor of The Detroit Free Press; Norman McKenna, staff member of The Michigan Catholic; Arthur O'Shea, labor editor of The Detroit Free Press; Leo Donovan, automotive editor of The Detroit Free Press; Don Gillies, outdoor editor of The Detroit Times; Jack Pickering, feature writer of The Detroit Times; Ray Girerdin, reporter of The Detroit Times, and Cy Pooler, feature writer of The Detroit Free Press.

Among the speakers at the U of D Guild's early meetings were Marguerite Gahagan, court reporter for The Detroit News and editor of The Guild Memo, monthly publication of the Newspaper Guild of Detroit, Ted Peck, president of the Newspaper Guild of Detroit and writer on The Detroit Free Press, and Marguerite McCullough, representative in charge of college and university units for the American Newspaper Guild.

The American Newspaper Guild was founded by Haywood Brown, columnist for the old New York World, in 1933.
